Amendment 002

This amendment is raised to answer Bidder's questions.

THE FOLLOWING SHALL FORM PART OF THE RFP**Question 1**

There is no installation requirement listed. Do you need this support?

Answer 1

No. As long as the training we asked for includes on how to set up the targets/systems this will be sufficient for our needs.

Question 2

Requested 150 rolls of paper (for air rifles). With the HS10 this is no longer a requirement. The paper is used in older 10m targets.

Answer 2

Acknowledged. The need for 150 rolls of paper targets can be removed from the requirement.

Question 3

Will you need training instruction in French?

Answer 3

Yes. Some of the instructors live in areas that are primarily English speaking, but some of them are Francophones, so they would likely appreciate instruction in their mother tongue.

Question 4

How many would require training at each location?

Answer 4

There will be a total of 10 personnel that will require this training in each location for a grand total of 40.
