**Clarification Questions:**

Note, clarification questions are numerically sequenced upon arrival at PWGSC. A question and its answer will be provided via the Government of Canada's tendering web site BuyandSell.gc.ca as responses become available. Potential Respondents are therefore advised that questions and answers may be issued via BuyandSell.gc.ca out of sequence.

The following clarification question was received from a potential RFI Respondent. In accordance with Article A.12 of the LOI, the clarification question and corresponding answer are provided to all potential Respondents as set out below:

**Question 1**

I am writing to request a three week extension to the closing date of this LOI process.

As you may be aware, there are a number of rather large and important requests for information, letters of interest and requests for proposal processes currently underway in the Government of Canada – all of which are strategic to both Industry and the Crown.

Unfortunately, due to a number of factors (summer schedule, number of opportunities out to market and the size and complexity of these requests), industry is struggling to respond to this and other requests at the same time. We appreciate the efforts the Crown makes in advance of complex solicitations by issuing letters of interest and requests for information. We would greatly appreciate the opportunity to participate and respond, and a time extension will assist us greatly in doing so.

### **ANSWER 1**

Thank you for your interest in the SI MPMCT requirement. Considering your request to extend the LOI closing date and Canada's need to continue to progress with the SI requirement procurement process, the LOI closing date has been extended from August 28, 2103 to September 6, 2013. Please see RFI Change No. 1 below.

### **RFI CHANGES:**

The following changes are made to the Solicitation document:

- 1) The closing date of Solicitation No. W8474-11MP01/G is hereby extended from August 28, 2013 at 2:00 PM Eastern Daylight Savings Time to September 6, 2013 at 2:00 PM Eastern Daylight Savings Time.

**ALL OTHER TERMS AND CONDITIONS OF THE RFI REMAIN UNCHANGED.**
