THIS AMENDMENT #006 IS RAISED TO ANSWER QUESTIONS RECEIVED.

QUESTIONS AND ANSWERS

Question 1: **Mandatory Technical Criteria MT2**

"The Offeror must provide:

- a. A brief description of a maximum of three (3) completed projects over the last five (5) years (as of RFSO closing date) by the Offeror."**

Please confirm if a maximum of three (3) projects can be submitted for evaluation for each Work Package or if a maximum of three(3) projects will be evaluated for all Work Packages?

Answer 1: PWGSC confirms that a maximum of three (3) projects will be evaluated for all Work Packages.

Question 2: **Point Rated Technical Criteria RT1**

"What the Offeror should provide:

- i. scope of services - detailed list of services;**
- ii. summary of your proposed typical work breakdown structure, (i.e. resources assigned, time schedule, level of effort)"**

The required scope of services and typical work breakdown will differ significantly for each of the 7 Work Packages. Therefore, please confirm if a single list of services and a single work breakdown is required for all Work Packages or can a separate list of services and separate work breakdowns be provided for each Work Package that the Offerer is responding to?

Answer 2: The Offeror should provide a detailed list of services their firm can provide for the scope of services listed in the Statement of Work (SOW). This can be for one Work Package or all seven Work Packages depending what services the firm can provide. PWGSC is looking for an example of your proposed typical work breakdown structure for any work package listed in the SOW.
