**B. Question 1 :**

**“I would appreciate further clarification regarding the following questions on the above mentioned ITQ.**

On Ammendment No. 003a there were questions asked regarding bumpers and mirrors.

Question: "For the bumper - are you requiring additional protection front and rear or whatever the manufacturer provides?"

Answer: Manufacturer Standard

**...Please clarify...that front and rear bumpers are mandatory as per Annex "A" if this is true, and if the Manufacture does not equip the machines with bumpers that aftermarket bumpers are acceptable and must be installed.**

Mirrors:

**Please clarify...that left and right mirrors are required as per Annex "A" and that if the manufacturer does not equip the machines with these that aftermarket mirrors are acceptable and must be installed.”**

**Response to Question 1:**

Please refer to the new inserted Annex B for changes.

**Question 2:**

Due to the changes reflected in amendment 4a, removal of maximums in Annex A & Annex B, response to questions from amendment 3a are corrected as follows:

**Question 2a:**

"under dimensions would you accept a length of 86"s over the stated maximum of 85"?"

**Answer:** Yes

**Question 2b:**

"would you accept a Wheelbase of 56" over the stated maximum of 53"?"

**Answer:** Yes

**C. Delete ANNEX "B" - MANDATORY TECHNICAL CRITERIA, in its entirety:**

Bidders are to indicate whether or not they comply with the specification. Bidders **MUST** include a minimum of two (2) copies of the descriptive literature of the make and model of the item (s) offered in sufficient detail to clearly indicate compliance with each of the individual requirements from the specifications detailed herein. Bidders should specifically cross reference where this specification is located within technical data sheets or brochure. When published documentation does not demonstrate compliance, a written narrative demonstrating compliance will be accepted.

Bidders must address each Performance Specification listed in the table below and indicate whether the product offered "Meets" or "Does not Meet".

Bids which do not meet all of the Performance Specifications listed below will be deemed non-compliant and given no further consideration.
