## ARCHITECTURAL

### DRAWINGS

#### **Drawing A-1: Specifications**

##### **Section 09900 – Painting**

All areas noted on the room finish schedule and interior elevations are to be complete with finish painting as per the following clauses of the specifications:

- 1. All areas indicated or in any way adversely affected by execution of this contract shall receive new paint finishes.*
- 6. Scope of work shall include all necessary preparation on new and existing surfaces ready to accept paint finishes.*

#### **Drawing A-2: Room Finish Schedule**

Surfaces noted within the Room Finish Schedule on wall and ceiling systems indicate either the existing substrate or intended wall surface which is to receive paint finishes as noted in the specifications section. This intent is to provide bidders with a reasonable understanding of the type of surface to be prepared and painted within the contract requirements.

Items noted with an asterisk "\*" are identified thus to bring the bidders attention to specific remarks within the Room Finish Schedule regarding the intended surfaces (existing or new or combinations thereof)
