6	Amendment No. 006	Electronic	August 30, 2013	Clarification Question #' 26

CLARIFICATION QUESTIONS:

Note: clarification questions are numerically sequenced upon arrival at PWGSC. A question and its answer will be provided via the Government of Canada's tendering web site BuyandSell.gc.ca as responses become available. Potential Bidders are therefore advised that questions and answers may be issued via BuyandSell.gc.ca out of sequence.

The following clarification question was received from a potential Bidder. In accordance with Article 13 under 2003 (2013-06-01) Standard Instructions - Goods or Services - Competitive Requirements, which has been incorporated into the RFP, and in accordance with Article 2.1 c) of the RFP, the clarification question and corresponding answer is provided to all potential bidders as set out below:

Question 26:

In respect to Workstream 1, ERP Functional Analyst Level 2, criteria FA2. M2- the criteria limits experience with Peoplesoft HRMS/HCM version 8.9 or higher to the past 6 years. We find the criteria as written unduly restrictive relative to other similar criteria within the ERP Functional Analyst Stream, and that as such it may eliminate otherwise qualified resources. Specifically, the other criteria within the ERP Functional Analyst Stream which relate to experience with Peoplesoft HRMS/HCM version 8.9 or higher are as follows:

Level 3

- M2- experience within the past 8years
- R1- no time restriction
- R3- no time restriction
- R4- experience within the past 10 years
- R7- no time restriction
- R8- no time restriction

Level 2

- R1- no time restriction
- R3- experience within the past 10 years
- R6- no time restriction
- R7- no time restriction

Therefore, we respectfully ask that the Crown amend the criteria to allow experience within the past 7 years.

Answer 26:

For FA2.M2, the Crown requires that the level 2 ERP Functional Analyst has recent PeopleSoft HRMS/HCM version 8.9 experience within the past 6 years. For this criteria, recent means that the ERP Functional Analyst must have a minimum of 4 years of experience but must not have been removed from working on the application for more than 2 years. The same requirement applies to FA2.M3 in that recent experience is required by having to demonstrate 6 years of experience within the past 8 years.

The Crown does not accept changing FA2.M2.

ALL OTHER TERMS AND CONDITIONS OF THE RFP REMAIN UNCHANGED.
