Amendment 1 Bear Proof Bins

This amendment was raised to answer a question from a prospective bidder.

Question 1: Can the internal can be replaced by a 32gal. internal can.

The Bear Proof Bins that we have supplied to other federal and provincial parks have used this size. It is A standard H-1045BLU rubber maid can.

DIMENSIONS of internal can:

- * Actual- Outside: 27 3/8 x 22 1/2" (h x d)
- * Inside: 27 x 21 1/8" (h x d)

WEIGHT CAPACITY: 235 lbs

This is more than sufficient for your requirements. A 40 gal internal can would be out of scope to participate in this bid.

Answer 1: The acceptable range for the internal bin will be 32 gallon as a minimum and 40 gallon as a maximum. All internal cans must fit completely inside the external metal bin.

All other terms and conditions of this Request For Proposal remain unchanged.
