

AMENDMENT # 1

Item # 1 - Reference - Site visit

Delete

Site Visit: is not mandatory, but proposed bidders may visit the site and are asked to make arrangements through the Contracting Authority listed below.

Insert

Site Visit: is not mandatory, but proposed bidders may visit the site. Site visits should be between 8:00am and 4:00pm on regular working days. Proposed bidders are also asked to make arrangements with the site two days in advance George.Chandler@dfo-mpo.gc.ca or (250) 692-9385. It is best if they park at the lower gate and walk into the site where George Chandler or a site rep will meet them and open the pump house building for review.

Diagram attached.
