

**QUESTIONS AND ANSWERS TO THE  
REQUEST FOR PROPOSAL (RFP) 201402493**

**QUESTION 1:** Would it be possible to provide us with a PDF file or a CD of the 2005 Campus Master Plan that is the subject of the request for an update so that we may better understand the background and context to the work required?

**ANSWER 1:** Owing to the security surrounding the TPOF CMP we cannot share it with would-be contractors until they have been security cleared. Once the successful contractor obtains security clearance, we will share the document with them then.
