## **1 SECTION 1 GENERAL INFORMATION**

### **1.1 Overview of Section 1**

The purpose of this section is to provide general information about CMHC and this Request for Proposal.

### **1.2 Introduction and Scope**

The Canada Mortgage and Housing Corporation (CMHC) wishes to enter into a contract agreement with a vendor(s) (hereafter referred to as the “proponent(s)”) for the purpose of undertaking a study to determine potential future uses of the two buildings that comprise the Emily Carr University of Art + Design (ECUAD) located on Granville Island in Vancouver, British Columbia.

The value of this service is expected to range from \$75,000.00 to \$110,000.00 CDN, including all applicable taxes

Canada Mortgage and Housing Corporation shall not be obligated in any manner to any proponent whatsoever until a written Agreement has been duly executed relating to a qualified, approved proposal.

More detailed specifications can be found in Section 3, “Statement of Work”.

### **1.3 CMHC Background**

CMHC is the Government of Canada’s National Housing Agency, with a mandate to help Canadians gain access to a wide choice of quality, affordable homes. It is a Crown corporation, with a Board of Directors, reporting to Parliament through the Minister of Employment and Social Development, and Minister responsible for Canada Mortgage and Housing Corporation, the Honourable Jason Kenney.

CMHC has more than 2,000 people located at its National Office in Ottawa, and at various Business Centres throughout Canada. The Business Centre areas are divided into five regions: Atlantic; Quebec; Ontario; British Columbia; and Prairies & Territories.

The administration, management and control of the revitalization of Granville Island was transferred to CMHC by Order-in-council in 1972, as CMHC was already deeply involved in as innovative housing development in the area and it had experience in urban renewal and the skilled resources necessary to carry out the challenge.

Granville Island in Vancouver is designed to attract local residents and visitors to meet, explore and experience a variety of cultural, recreational, educational, commercial and industrial activities, all year round. It is recognized as one of the most successful waterfront developments in North America. Granville Island is comprised of 15.2 hectares (37.6 acres) of land area and 2.1 hectares (5.3 acres) of tidal water area, and represents a major public land holding in close

proximity to downtown Vancouver. Situated in False Creek between the Burrard and Granville Bridges, it is adjacent to the marinas and aquatic activities of both False Creek and English Bay.

### Map of Granville Island:

Granville Island is currently home to approximately 275 businesses and facilities which employ more than 2,500 people and generate in excess of \$130 million in economic activity.

## **1.4 Purpose of Request for Proposal**

CMHC uses a Request for Proposal (RFP) to describe its requirements, ask suppliers for their proposed solutions, describe the criteria which will be used in evaluating proposals and selecting a lead proponent, and outline the terms and conditions under which the successful proponent will operate or supply goods and/or services. In an RFP process, proposals and proponents are evaluated in terms of ability to satisfy the stated requirements, while providing “Best Value” to CMHC in terms of price.

### **1.4.1 All Service Providers**

CMHC’s contracting and procurement activities are decentralized among CMHC’s National Office in Ottawa and various Business Centres throughout Canada.

The policy pertaining to the selection of suppliers is based on the principle that all suppliers must be treated fairly and equally. Suppliers are defined as an individual or firm that could provide, or has provided, goods or services or construction under contract.

CMHC utilizes the Supplier Information (SI) database, maintained by **Business Access Canada** as the Official CMHC source list. All proponents **must** be registered with **Business Access Canada** prior to submitting a proposal. The Procurement Business Number (PBN) provided by **Business Access Canada** must be included with your proposal.

If you are not registered, and you wish to do so, you may access **Business Access Canada** (<https://buyandsell.gc.ca/>) or you may call their Information Line at: 1-800-811-1148. Present Suppliers not registered with Business Access Canada are required to self-register on the SI via the Business Access Canada Web site.

## 1.6 Mandatory Requirements

Throughout this RFP, certain requirements are identified as mandatory. A mandatory requirement is a minimum standard that a proposal must meet in order to be considered for further evaluation. Mandatory is defined as having substantial compliance as assessed by CMHC in its sole and absolute discretion.

Mandatory requirements are identified in:

- Section 2 Submission Instructions
- Section 4 Proposal Requirements
- Section 6 Proposed Contract, and
- Appendix A The Certificate of Submission.

**Caution:** Proposals which fail, in the sole discretion of CMHC, to meet any mandatory requirement will be eliminated from further consideration in the evaluation process. However, CMHC reserves the right to waive any mandatory requirements if it deems fit and appropriate to meet the interests of and provide best value to CMHC. This clause should be interpreted solely for the benefit of CMHC and not for the benefit of the Proponents.

## 1.7 Procurement Policy Re: The Environment

CMHC fully supports the principle of sustainable development. Economic development and the preservation of the environment are given equal consideration to ensure that the actions of one generation do not compromise the ability of future generations to have an equal quality of life.

To this end, CMHC is dedicated to integrating sound environmental practices into its procurement practices.

### **1.8 Proponent Feedback**

CMHC aims to continuously improve its bid documents and procedures. CMHC welcomes input regarding proponent experience in responding to its RFPs, whether as a compliment or suggestion for future RFPs.

Proponents may submit comments labelled as *Proponent Feedback RFP # 201302958* to the name and address provided in Section 2.4.

As CMHC does not wish to be perceived as influenced by such feedback in the award decision, proponents are requested to submit their feedback after the contract award has been announced.

Any proponent who notes a material flaw in the RFP that could affect the outcome should report it as specified in Section 2.4

### **1.9 Income Tax Reporting Requirement**

As a federal Crown Corporation, CMHC is obliged under the Income Tax Act and Regulations to report payments made by the Corporation to suppliers of goods and/or services by using a T1204 supplementary slip. CMHC must therefore obtain the necessary information from suppliers (including the Contractor's social insurance number and/or corporate identification number) in order to allow it to complete the T1204 supplementary slip. The Lead Proponent(s) will be required to complete and sign a Supplier - Direct Deposit and Tax Information Form (CMHC/SCHL 3085) prior to execution of this Agreement.

## **2 SECTION 2 SUBMISSION INSTRUCTIONS**

### **2.1 Overview of Section 2**

The purpose of Section 2 is to inform the proponent about CMHC's procedures and rules pertaining to this RFP process.

Proponents are advised that CMHC has provided as Appendix C a Mandatory Compliance Checklist for your benefit to complete prior to submission. This is to assist you in ensuring that you comply with all Mandatory criteria as non-compliance will result in disqualification.

All risks and consequences of incorrect delivery of proposals are the responsibility of the proponent. CMHC will not assume or have transferred to it those responsibilities. All registered times will be in accordance with the time CMHC computer servers receive the submission, not the time the proposal was sent by the proponent.\*

- (c) In the event that a conflict of interest, real or perceived, cannot be resolved to the satisfaction of CMHC, CMHC shall have the right to immediately terminate the Agreement. All portions of the Work which have been completed at the date of termination shall be forwarded to CMHC and CMHC shall be liable for payment to the Contractor of an amount which, in the sole opinion of CMHC, constitutes reasonable payment for the partial performance of the Contractor's obligations under the Agreement. ### **3 SECTION 3 STATEMENT OF WORK**

#### **3.1 Overview of Section 3**

This section of the RFP is intended to provide the prospective proponent with the information necessary to develop a competitive proposal. The Statement of Work is a complete description of the tasks to be done, results to be achieved and/or the goods to be supplied

#### **3.2 Mandatory Requirements**

A mandatory requirement is a minimum standard that a proposal must meet in order to be considered for further evaluation.

Any mandatory requirements associated with the Statement of Work are clearly identified in Section 4 - Proposal Requirement.

The Mandatory Compliance Checklist is located at Appendix C (7.3).

#### **3.3 Statement of Work**

In January 2013, the Premier of British Columbia announced that the Province would invest in a new campus for Emily Carr University of Art + Design (ECUAD) at Great Northern Way. The new campus will increase the size of ECUAD to provide a solution to the space constraints of the Granville Island campus, and will provide students with the facilities and spaces needed to study, explore, learn and create. A new purpose built campus will have a profound impact on the future of art, design and the creative, cultural and economic industries of BC.

CMHC requires a qualified proponent to undertake a study to determine potential future uses of the two buildings that comprise the ECUAD located on Granville Island. ECUAD is comprised of the North and South Buildings described below. This study does not include examination of uses for parking garage connected to the South Building.

In broad terms, the goal of this study is to provide CMHC with potential development and leasing options and strategies for the existing campus. Proposed options must conform to the current approved land uses set out in the Granville Island Reference Document, last updated in 1999. The fundamental and underlying planning principles that guide development and other activities on the Island also form a basis for this project. They include:

- Retain and enhance the Granville Island ‘experience’ e.g. unique, local, artistic, cultural, diverse, pedestrian-oriented, animated, ‘a people place’
- Preserve and build on the historic character of Granville Island
- Maintain an accessible destination for a diverse range of people
- Promote safety & security
- Support sustainable development initiatives – economic, social and environmental
- Take an incremental approach to change
- Ensure financial sustainability.

The proponent will complete research into, and make recommendations for, potential future opportunities for the ECUAD spaces keeping in mind the current configuration and uses of the buildings. A building condition study is being completed and its results will be shared with the successful proponent to aid in determining future uses. The proponent will provide a detailed report with supporting rationales for each recommended future use.

The proponent will be required to lead a planning discussion, up to one day in length, with the CMHC Management team related to future use of the building and how these uses could connect with other potential future initiatives on Granville Island.

As part of this project, the proponent will undertake a Granville Island community engagement process to obtain input into, and feedback on, use of the spaces. The purpose of this process is to provide an opportunity for the diverse Granville Island community (tenants, merchants, artists and artisans, employees, students, and the Granville Island Business & Community Association – GIBCA) to have input into recommendations for the future use of the buildings.

Consultation is generally limited to the “on-Island” community including CMHC but may include meetings with external groups such as the Granville Island Trust and City of Vancouver representatives. ECUAD has also indicated their desire to maintain a legacy project at the campus. The proponent will engage with appropriate representatives of ECUAD to help determine the nature and scope of the anticipated project.

A detailed consultation plan with an associated communications plan and presentation materials, will need to be developed for review and approval by CMHC.

The proponent will provide a consultation summary report highlighting key themes for consideration by CMHC. CMHC will also be relying on the successful proponent to:

- Recruit, invite and provide notice to participants for stakeholder meetings; and
- Provide consultation issues management advice to CMHC Granville Island throughout the process

An estimated two (2) to four (4) small group stakeholder meeting will be required. These groups will be determined in discussion with CMHC but will likely include:

- Artists and artisans
- Cultural groups
- Other Island tenants

It is anticipated that meetings with each stakeholder group would range from 2 – 3 hours in length.

The final report will be received by CMHC on or before January 31, 2014.

- Number of days each personnel is allocated
- Disbursements associated with the following:
  - Estimated printing and reproduction costs associated with the deliverables mentioned in Section 3.3 – Statement of Work: and
  - Estimated costs associated with the small group stakeholder meetings such as catering for refreshments and hall rentals. Note that these meetings are to be held on Granville Island – CMHC will assist with securing appropriate meeting space.

Proponents are asked to price separately these disbursement costs, which would be reimbursed by CMHC on a cost-recovery basis as actual costs are incurred.

All prices and amounts of money in the proposal are to be quoted in Canadian dollars and be exclusive of the Goods and Services Tax (GST), Harmonized Sales Tax (HST), and Provincial Sales Tax (PST), as applicable, unless otherwise indicated.

The GST, HST or PST, whichever is applicable, shall be extra to the price quoted by the Vendor and will be paid by CMHC.

Each compliant proposal that meets the minimum upset scores in each category shall then be evaluated using the “ratio” evaluation process. The proposal with the lowest cost receives the maximum points allowed. All other proposals receive a percentage of the points available based on their cost relationship to the lowest. The proponent with the highest score will be named the lead proponent.

## **SECTION 5 EVALUATION AND SELECTION**

### **5.1 Overview of Section 5**

Section 5 describes the process CMHC will use to evaluate proposals, select a lead proponent and finalize and sign a contract.

**The lowest cost or any proposal will not necessarily be accepted and CMHC reserves the right to accept or reject any or all proposals in whole or in part.**

CMHC reserves the right to alter the stated requirements as needs require and to accept an alternate proposal included in any proponent's response.

CMHC shall conduct the RFP process in a visibly fair manner and will treat all proponents equitably. To this end, it has established objective RFP standards and evaluation criteria which will be applied uniformly to all proponents. Therefore, no proponent shall have any cause of action against CMHC arising out of a failure to award a contract, the failure to evaluate any proposal, or the methods by which proposals are assessed.

### **5.2 Limitation of Damages**

The proponent, by submitting a proposal, agrees that it will not claim damages in excess of an amount equivalent to the reasonable costs incurred by the proponent in preparing its proposal for matters relating to the agreement or in respect of the competitive process, and the proponent, by submitting a proposal, waives any claim for loss of profits if no agreement is made with the proponent.

### **5.3 Evaluation Table**

The Evaluation Table as provided in Appendix "B" lists all the criteria upon which each proposal will be evaluated. The criteria are based on the requirements as provided in this RFP.

### **5.4 Evaluation Methodology**

Each proposal will be examined to determine compliance with each mandatory requirement identified in this RFP. A proposal must comply with all of the mandatory requirements in order to proceed in the evaluation process. A proposal which is deemed by CMHC to be non-compliant in one or more mandatory requirements will be eliminated from further consideration. A proposal which meets all the mandatory requirements will be deemed compliant and will proceed in the evaluation process.

Each compliant proposal shall be individually evaluated by each member of the Evaluation Committee, made up of qualified personnel. Evaluators shall evaluate and numerically score each proposal in accordance with the evaluation criteria as shown in the Evaluation Table, Appendix "B", and a predefined scoring scale of 0 to 10, where "7" is deemed to meet the requirements. Once individual evaluations are complete, the Evaluation Committee will discuss and agree upon a final score for each proposal.

A proposal must meet the minimum upset score in each category (as shown on the Evaluation Table) to remain in the evaluation.

Each compliant proposal that meets the minimum upset scores in each category shall then be evaluated using the “ratio” evaluation process. The proposal with the lowest cost receives the maximum points allowed. All other proposals receive a percentage of the points available based on their cost relationship to the lowest. The proponent with the highest score will be named the lead proponent.

## **5.5 Financial Evaluation**

CMHC may carry out a credit check and/or a financial capacity on the lead proponent before beginning contract discussions. This is a pass/fail test. Pass means that contract discussions begin. Fail means that the lead proponent may not enter into contract discussions and is disqualified from further consideration. The financial evaluation will be based on the information supplied by the proponent as per Section 4.9 of this RFP.

## **5.6 Proponent Selection**

Acceptance of a proposal does not oblige CMHC to incorporate any or all of the accepted proposal into a contractual agreement, but rather demonstrates a willingness on the part of CMHC to enter into negotiations for the purpose of arriving at a satisfactory contractual arrangement with one or more parties.

Without changing the intent of this RFP or the lead proponent’s proposal, CMHC will enter into discussions with the lead proponent for the purpose of finalizing the contract. If at any time CMHC decides that the lead proponent cannot satisfy CMHC’s requirements, CMHC may terminate negotiations. If at this time CMHC feels that the secondary proponent may meet the requirements, CMHC will continue the process with the secondary proponent and so on.

Announcement of the successful proponent will be made to all proponents following the signing of a contract.

## **6 SECTION 6 PROPOSED CONTRACT**

### **6.1 Overview of Section 6**

Attached in Section 6.3 is a proposed contract. The terms and conditions in this draft contract may be incorporated into any contract resulting from this RFP. CMHC reserves the right to add terms and conditions during negotiations. These terms and conditions will be within the scope of the RFP and will not affect the proposal evaluations.

The proponent's proposal and all associated correspondence from the proponent, where relevant, shall to the extent desired by CMHC form part of the final contract and the proponent must accept that the final contract form will be in a format acceptable to CMHC.

Submission of a proposal constitutes acknowledgement that the proponent has read and, unless otherwise stated in the proponent's proposal (including a declaration in the attached draft contract of any potential conflicts of interest), agrees to be bound by the terms and conditions in the draft contract in Section 6.3 in the event that the proponent is selected by CMHC to enter into a contract agreement.
