DELETE: SEPT. 12, 2013

INSERT: SEPT. 19, 2013

The following clarifications are provided:

Q1. Other than the permit, will there be any dumping fees for waste taken to the designated site at Castle Junction Tradewaste Site?

A2. Dumping fees are based on each landfill's published rates. Castle Junction is not the designated dump site. As identified in the specs, there are three different landfills listed.

Q2. Section 01 35 43, Para 1.14.3 states no portable rock crushers will be allowed. Does this mean no hydraulic jaws mounted on an excavator?

A2. Hydraulic jaws mounted on an excavator are allowed.

Q3. Is all drywall (including perimeter, interior walls and multi-layers) to be abated and treated as asbestos waste as this will impact quotation pricing and schedule?

A3. All drywall to be removed as part of the abatement.
