

## Q&A 201302814 issue 2

### Question 8:

Can you confirm that in response to question 7.5.5, that Absence Management Team bios would be appropriate, or that full resumes are required and could be included as an appendix.

### Answer 8:

Bios would be sufficient, as long as it includes the number of years of work experience they have in each relevant field.

### Question 9:

Can you confirm that questions 7.5.8 to 7.5.10 in the Staffing section are duplicates of 7.5.5 to 7.5.7 and that only one set requires a response?

### Answer 9:

The questions are identical; however they target 2 separate teams, where applicable. 7.5.5 to 7.5.7 refer to the Case Management Team, while questions 7.5.8 to 7.5.10 refer to the Absence Management Team.
