This Amendment 002 to Solicitation M4000-02975 is raised to address supplier inquiries and modify the solicitation as follows:

Supplier Inquiries:

- Q2.** What will be the declared value for insurance purposes of the 52 vehicles being transported under this RFP?  
**A2.** The estimated value of the Ford Taurus Interceptors is \$28,943 each, and the Chev Tahoes at \$32,962 each.
- Q3.** In the document itself there are a number of blanks that require information:
- 2.1 Price Certification
  - 4.1 Delivery
  - 5.3 Contractors Representative
  - 7.1 Basis of Payment
  - 10 Applicable Laws
  - Annex B – Basis of Payment and optional services

My questions are:

- a) Do the above sections need to be completed and submitted with the response?
- b) If they do are they included in a particular section or is the entire document submitted along with the four sections?
- c) What additional information is require in section IV?
- d) Can this document be emailed or does it have to be mailed?

**A3. a)** Yes, all sections listed must be completed and submitted with response to the Request for Proposal. Please refer to Part 2, Section 2 “Submission of Bids” and Part 3 “Bid Preparation Instructions” of the RFP document for information.

**b)** Please refer to Part 2, Section 2 “Submission of Bids” and Part 3 “Bid Preparation Instructions” of the RFP document for information. The Bidder may choose to include the entire, completed and signed RFP document along with the required sections of the bid package in order to respond to the areas listed above. For example, 2.1 should be included in the “Certifications” section, and Annex B would be “Section II Financial Bid”.

**c)** This section is not required – please refer to solicitation modifications below.

**d)** Please refer to Part 2, Section 2 “Submission of Bids”. Bids may NOT be submitted by e-mail.

Modifications to solicitation:

- At PART 3 - BID PREPARATION INSTRUCTIONS, 1. Bid Preparation Instructions, Section IV: Additional Information (one (1) hard copy):
