This notice is to advise potential bidders of Addendum #4 to above mentioned Request for Proposal.

This Solicitation Addendum No. 004 is raised to:

1. Address questions raised by interested bidders submitted to date.

Question 1

I'm unsure about the instruction on RFP page 12, item 3.1, which reads as follows:

***“The front page of this Request For Proposal should be properly completed and signed by the Bidder or by an authorized representative of the Bidder with the submission of their proposal. The signed front page of this RFP must be provided within 5 days of notice of contract award.**”*

Is this saying that the front page should be signed at the time of proposal submittal but does not have to be? And that it will have to be signed within 5 days of the award?

Answer 1

The front page can be signed when submitting a proposal or anytime later as long as it is done within five (5) days of notice of contract award. In any case, the front page must be signed before the resulting contract start day.

ALL OTHER TERMS AND CONDITIONS OF THE SOLICITATION REMAIN UNCHANGED.
