

## Questions and Answers, RFP 201303145

### Question 1:

Insurance policies in Canada do not contain a wording that states they are "primary with respect to this agreement and any valid or collectible insurance of CMHC shall be excess of Proponent's insurance and shall not contribute to it".

As well we have no way to track third parties and ensure that if a change is made to our policies, notice will be given to that third party.

Considering the services that will be provided can these 2 requirements be removed? (keeping in mind that Insurers will endeavor to provide 30 days' notice of cancellation of our insurance policies to CMHC?)

### Answer 1:

CMHC will agree to the removal of the two (2) requirements as requested.
