

Addendum # 5

Appendix 3 Breakdown of Major Item Prices

The following is a breakdown of major item prices, inclusive of supply and installation cost, which are included in the total Tender Price submitted by: _____
(enter name of Tenderer) in the completion of works for this project.

Add the general contractor will include all moving costs related to the relocation of all items stored in mezzanine level pallet racking above all chemical rooms where the work is planned. After the completion of work to reinstate the relocated items to its general locations within that area. All costs for this item to be added to item A6 in the appendix 3 , Breakdown of major item prices.

NO.	ITEM DESCRIPTION	PRICE FOR ITEM	TOTAL COSTS
A6	Moving costs	\$	\$

All materials substitutions for APPROVED equivalent will be determined after the contract award and the Design Consultant will review if the proposed alternate materials met the specs of the project. At this time we cannot answer to this question.
