

Question 9

Previously CMHC has stated that there is only one contractor that is able to provide Covers for canopies at Granville Island (a period of 5 years – as we were told) – is this correct?

Are there any specifications for the said Canopy Cover? Colour? Fabric/Materials? Pattern? Etc

Answer 9

Please note that the Owner (CMHC) will provide the canopy fabric and will paint the steel canopy after one year to properly age the galvanizing; these are not included in the contract.
