Amendment 003 is issued to address questions and answers

---

1) Regarding Part 1, Section 2, Summary: Will this be the primary patent information platform for CIPO examiners or is this solicitation for a back-up patent information platform?

Answer: Yes, the primary one.

2) Regarding Annex D M3 and R1.4: Does the "PCT Minimum documentation" in the solicitation refer only to journals? If the PCT Minimum Documentation requirement does include the patent coverage why is there no points given to patent database and patent image coverage?

Answer: Points are not awarded for patent coverage because, with reference to Mandatory Requirement M.3, patent coverage is a mandatory requirement.

3) Point R.2.5 says "Provides the ability to filter searches according to fields (i.e.Title, Abstract, Claim, Description)".

Does that mean that users want to be able to customize the display, choosing specific fields? Or to be able to search within these specific fields? Or something else?

Answer: R.2.5 relates to the ability to search within specific fields (i.e.Title, Abstract, Claim, Description)

4) What is the physical address of CIPO data center's location to estimate the cost of the high speed private network?

Answer: CIPO's data center is located at 235 Queen St, Ottawa, ON, K1A 0H5
