This Solicitation Amendment No. 01 is being raised to change the following:

Delete in its entirety: "SI10 Mandatory Requirement/Contractor Selection".

Replace with:

SI10 MANDATORY REQUIREMENT / CONTRACTOR SELECTION**a) Contractor Selection**

Three scenarios are detailed in Appendix 1 and in the specification, identifying three different areas of dredging work, from smallest to largest.

The bidder offering the lowest priced responsive bid for the scenario with the largest area of work within the Project Budget will be recommended for award.

The Project Budget will be disclosed at the Tender Opening, prior to bids being read out.

b) Mandatory Submission Requirements

To be considered compliant, a submission must meet all of the mandatory evaluation criteria. Submissions not meeting all of the mandatory requirements will be given no further consideration.

If Canada requests that the bidder submit information or documents within a specified time period, failure to provide these documents or this information at Canada's request within the specified time period will result in the bid being deemed non-responsive.

Bidder must:

1. Submit the bid to the Bid Receiving Unit prior to the closing date and time indicated on the front page of the solicitation document;
2. Complete and submit signed Bid and Acceptance Form (complete all combined price form for Scenario A, B and C, in Appendix 1);
3. Provide Bid Security as per the General Instructions to Bidders;

If at Bid closing this information is not submitted with the bid, the bid will be deemed non-responsive.

All other terms and conditions remain the same. End of Amendment No. 1.
