QUESTIONS AND ANSWERS

Question 1: In Tables 1a and 1b, as well as in Section 5.2 of Annex A, a Transportation Engineer/Planner is listed as a required resource. Section 1.2 of the evaluation criteria, however, stipulates that the proposed resource must have a minimum of three years demonstrated experience as an engineer (emphasis added). For the purposes of criteria TM2 and TR1, will demonstrated experience as a certified transportation planner be considered equivalent to demonstrated experience as an engineer?

Answer 1: Yes, we will accept a transportation planner as equivalent to a transportation engineer.
