

QUESTIONS AND ANSWERS

File: DND 12/0019455

Initiative: CBRNE Collective Training Standing Offer Arrangement

To ensure the source of the enquiry is not revealed, the following question as been paraphrased.

Q12. Would DND consider issuing a Standing Offer to bidders who can only provide partial services such as radiological or nuclear training?

A12. Bidders must be able to support the requirement in its entirety as partial responses will result in the proposal being declared Non-Compliant.

Note to Bidders: To satisfy the CBRNE requirement, Bidders may identify sub-contractor(s) to perform a portion of the work, or submit a proposal in Joint Venture.
