- 10.2** If the Minister terminates the Work in whole or in part under this section, the Minister may arrange, upon such terms and conditions and in such manner as the Minister deems appropriate, for the Work to be completed that was so terminated, and the Contractor shall be liable to the Minister for any excess costs including additional costs relating to the completion of the Work.
- 10.3** Upon termination of the Work under subsection 10.1 the Minister may require the Contractor to deliver and transfer title to the Minister, in the manner and to the extent directed by the Minister, in any finished Work which has not been delivered and accepted prior to such termination and in any materials or work-in-process which the Contractor has specifically acquired or produced for the fulfilment of the Contract. The Minister shall pay the Contractor for all such finished Work delivered pursuant to such direction and accepted by the Minister, the cost to the Contractor of such finished Work plus the proportionate part of any fee fixed by the Contract and shall pay or reimburse the Contractor the fair and reasonable cost to the Contractor of all materials or work-in-process delivered to the Minister pursuant to such direction. The Minister may withhold from the amounts due to the Contractor such sums as the Minister determines to be necessary to protect the Minister against excess costs for the completion of the Work.
- 10.4** The Contractor shall not be entitled to be reimbursed any amount which, taken together with any amounts paid or becoming due to the Contractor under the Contract, exceeds the Contract price applicable to the Work or the particular part thereof.
- 10.5** If after the Minister issues a notice of termination under 10.1, it is determined by the Minister that the default of the Contractor is due to causes beyond the control of the Contractor, such notice of termination shall be deemed to have been issued pursuant to 9.1 and the rights and obligations of the parties hereto shall be governed by section 9.

The current departmental library staff has been providing national cataloguing services which include regional requirements and tasks. However, due to future library closures and reductions in library staff, the current staff is unable to continue to catalogue all publications received by the DFO libraries.

The Information Management Branch, Department of Fisheries and Oceans Canada libraries has the responsibility to ensure that the national DFO publications and other electronic resources are catalogued and indexed in Livelink Library Management integrated library catalogue which is the backend of the department’s public facing catalogue, WAVES.

It is assumed that original cataloguing is the creation of a bibliographic record without the aid of a pre-existing catalogue record and that derived or copy cataloguing entails the adaptation and/or modifications of a pre-existing bibliographic record. This includes minor adjustments to reflect locally accepted cataloguing practice which are available in the ‘Notices to Cataloguers’ (see Appendix 1).

It is assumed that the contractor understands that the DFO publications are published in both official languages sometimes as one document or separate documents.

Cost evaluation

Calculation of Financial Score: the financial score is calculated by giving full points (30) to the lowest priced responsive proposal and prorating all other responsive proposal financial scores accordingly.

Proposal – Best Overall Value

The technically responsive proposal that obtains the highest combined rating of technical merit and price, e.g. adding the technical score with the financial score, will be recommended for award of a contract.

BASIS OF SELECTION

HIGHEST COMPLIANT COMBINED RATING OF TECHNICAL MERIT AND PRICE

The compliant bidder with the highest combined rated criteria points (70%) and price (30%) shall be selected as the best value supplier. An example of Highest Compliant Combined Rating of Technical Merit and Price is shown below:

Best Value Determination

	Bidder 1	Bidder 2	Bidder 3
Rated Criteria Points	80	90	95*
Per Diem Rate	\$700.00**	\$725.00	\$975.00
Calculation			
	Technical Points	Rated Price Points	Total Points
Bidder 1	$80/95^* \times 70\% = 58.9$	$700^{**}/700 \times 30\% = 30$	$58.9 + 30 = 88.9$
Bidder 2	$90/95^* \times 70\% = 66.3$	$700^{**}/725 \times 30\% = 29$	$66.3 + 29 = 95.3$
Bidder 3	$95/95^* \times 70\% = 70$	$700^{**}/975 \times 30\% = 21.5$	$70 + 21.5 = 91.5$
* Represents the highest technical score			
** Represents the lowest priced proposal			

Assumption: The Highest technical score and lowest price proposal received full rated percentage and other proposals are pro-rated accordingly.

The winner is the bidder scoring the highest total points established by adding the technical and rated price points.

Based on the above calculation, a contract would be awarded to Bidder 2.

The Contractor shall not dispose of such information or data or personal information except by returning it to Canada. The Contractor shall comply with the General Conditions of the Contract in regard to maintaining the confidentiality of such information, data, or personal information. Unless the Contract otherwise expressly provides, the Contractor shall deliver to Canada all such information, data, or personal information, together with every copy, draft, working paper and note thereof that contains such information, data, or personal information upon completion or termination of the Contract or at such earlier time as the Minister may require.

(ii) For greater certainty and without limiting sub-section I 10.3.1, if the Work under the Contract involves the collection of personal information as that term is defined in the *Privacy Act* (R.S.C., c. I 10.3.4 The Contractor shall execute such conveyances or other documents relating to the Intellectual Property Rights in the Foreground Information as the minister for whose department or agency the Work is being or was carried out may require, and the Contractor shall, at Canada's expense, afford that minister all reasonable assistance in the preparation of applications and in the prosecution of any applications for registration of any Intellectual Property Right in any jurisdiction, including without limitation the assistance of the inventor in the case of Inventions.

I 10.4 *License to Intellectual Property Rights in Contractor's Background Information*

I 10.4.1 Without restricting the scope of any licence to exercise the Intellectual Property Rights in the Background Information that Canada may otherwise hold, the Contractor hereby grants to Canada a non-exclusive, perpetual, irrevocable, world-wide, fully-paid and royalty-free license to exercise such of the Intellectual Property Rights in any Background Information incorporated into the Work or necessary for the performance of the Work as may be required for the following purposes:

and the Contractor agrees to make any such Background Information (including, in the case of Software, source code) promptly available to Canada for any such purpose.

I 10.4.2 Without restricting the scope of any license to exercise the Intellectual Property Rights in the Background Information that Canada may otherwise hold, the Contractor hereby further grants to Canada a non-exclusive, perpetual, irrevocable, world-wide, fully-paid and royalty-free license to exercise such of the Intellectual Property Rights in the Background Information incorporated into the Work or necessary for the performance of the Work as are necessary in order for Canada to modify, improve or further develop the Foreground Information. Canada's rights under this subsection GC10.4.2 shall not include the right to reproduce the whole or part of any deliverable under the Contract that does not incorporate Foreground Information, save that Canada may reproduce any drawings, plans, designs, or other Background Information that are subject to copyright or industrial design protection, for purposes of modification, improvement or further development of the Foreground Information by or for Canada. The Contractor agrees that Canada's license in relation to the Intellectual Property Rights in Background Information includes the right to disclose the Background Information to bidders for such contracts and to sub-license or otherwise authorize the use of that information by any contractor engaged by Canada solely for the purpose of carrying out such a contract. Canada shall require bidders and the contractor not to use or disclose any Background

Information except as may be necessary to bid for or to carry out that contract.

- I 10.4.5 Where the Intellectual Property Rights in any Background Information are owned by a Subcontractor at any tier, the Contractor shall either obtain a license from that Subcontractor that permits compliance with subsections I 10.4.1 and I 10.4.2 or arrange for the Subcontractor to convey directly to Canada the same rights by execution of the form provided for that purpose by the Minister, in which case the Contractor shall deliver that form to the Minister, duly completed and executed by the Subcontractor, no later than the time of disclosure to Canada of that Background Information.

- I 10.6.1 Subject to the Access to Information Act, R.S.C., c. A-1 and to any right of Canada under the Contract, Canada shall not release or disclose outside the Government of Canada any Background Information delivered to Canada under the Contract that is confidential information or a trade secret of the Contractor or a Subcontractor.
- I 10.6.2 Nothing in these terms and conditions shall be construed as limiting Canada's right to exercise the Intellectual Property Rights in any Background Information, or to disclose any Background Information, to the extent that such information:
- (a) is or becomes in the public domain, or to the extent that the Contractor does not benefit from or ceases to benefit from any intellectual property rights protection for such information under legislation or at law (other than under the terms of the Contract), for any reason including as a result of Canada's use or disclosure of deliverables under the Contract for any purpose whatever that is not expressly excluded under the Contract;

C-42), in a form acceptable to the Minister, from every author that contributed to any Foreground Information which is subject to copyright protection and which is deliverable to Canada under the terms of the Contract.
