

Question 7:

The RFP notes that CMHC will provide GSS cycle 21 data which will be utilized by the consultant. Could you please advise the format of the GSS cycle 21 data in and whether it is possible to get it in “Beyond 20/20”.

Response:

The data will be provided to the winning proponent on a CD in the following formats: ASCII, SAS, SPSS. The proponent will be responsible for any further data transformation.
