AMENDMENT 003

This amendment is raised to answer the following questions:

Q. Your RFQ states "must be provided in sheets min size 50" x 80" untrimmed", however Zotefoam's standard manufactured sheet size is 1" x 39" x 78", UFP is not able to supply a 50" x 80" untrimmed sheet. Would you like us to quote based upon a 39" x 78" sheet?

A. Must be 50' x 80', a quote on 39"x78" will not meet my requirements for my machines.

Q. Your RFQ states: "Colour must be top ½ " black and remainder (regardless of thickness required) must be white" - To achieve the thicknesses required will you accept thermal bonded sheets or would you prefer adhesively bonded sheets to achieve thickness?

A. Must be as stated in request, no deviations

Q. What is the anticipated 3 month & 6 month usage requirements per thickness for year 1 OR in each release how many sheets can be order?

A. This depends on the amount of projects, unable to give an answer to this

Q. What is the application for the foam?

A. Tools boxes layout

ALL OTHER TERMS AND CONDITIONS OF THIS SOLICITATION REMAIN UNCHANGED.
