Amendment No. 3: To the Tender Documents

Hazardous Materials Removal Services

Amendment Date: November 5, 2013

To all Proponents:

The Purpose of this Amendment is to address the following:

1. In order to confirm whether the lead stripping was a viable method for this project, the Museum requested a test strip be completed by our consultant, LVM Maritime Testing. Results of the test indicate that the lead stripping method is an effective method for paint removal.
