Enquiries - Bid Solicitation - Clause # 2.3

To ensure consistency and quality of information provided to bidders, significant enquiries received and the replies to such enquiries will be provided simultaneously to bidders to which the bid solicitation has been sent, without revealing the sources of the enquiries.

Here is a question which we have received until now:

Question 1 : In item # 1 of Section B.1.2 "Electronic condensate measurement system", you use the term "catchpot"; this term is a registered trademark of a specific manufacturer which may limit the competitive process.

Answer 1 : Please remove (delete) the words "~~commonly called a~~ "catchpot" " in item # 1 of Section B.1.2.

Do not forget that the items listed on Section B.1.2 are optional goods. It is not mandatory to bid on them. All bids received will be evaluated without taking account of the items of Section B.1.2.

All other terms and conditions of the solicitation remain the same.
