This amendment (1) seeks to answer the following question:

1)

Q1: We must submit firm lot prices, in Canadian dollars, DDP (destination), DDP Delivered Duty Paid (destination), Applicable Taxes extra, as applicable... As well as all applicable Custom duties and Excise taxes.

In order to obtain the tax %, we need an Customs product number. Have you already anticipated a number for this project?

A1: Considering that the requested delivery terms are DDP Delivered Duty Paid (destination), Applicable Taxes extra, as applicable. Freight charges to destination and all applicable Custom duties and Excise taxes must be included. NRC is not responsible for the custom clearance and Excise tax for the goods under the contract terms. It is the responsibility of the successful vendor to determine and pay for any applicable duties and excise taxes. For this purpose, we suggest the vendors that are interested in submitting proposals to obtain the requested information from professional freight consolidators/forwarders and/or customs brokers.

All other terms and conditions remain unchanged.
