1. Extend the Bid Closing Date of this Solicitation;
2. Address further questions from bidders;
3. Adjust the details of the Solicitation document, particularly the Financial Evaluation and of the Contractor Selection Methodology; and
4. Revise Annexes B, C, and Appendix A4 to Annex A.

-----

**1. Bid Closing Date**

The Bid Closing date is hereby EXTENDED for a 15-day period, to close on Wednesday December 11th, 2013.

This extension is in consideration of bidders' requests, and of the time necessary to review and act upon the adjustments made to the Solicitation document (item 3 above), which are detailed herein.

**2. Bidders' Questions and Answers Set (Question # 29)****Q.29: Can the Basis of Selection be changed from a single contract to multiple contracts on a line by line item basis?**

**A.29:** The Basis of Selection is changed to the award of a contract(s) based on the aggregate of all line items within a Cable family grouping. This may result in up to 5 different contracts. Bidders may bid on one or more of the Cable family groupings and are required to bid on all items within a family grouping. (Details at Section 3 of this RFP amendment)

**3. The Solicitation is hereby amended, as follows: (*Changes to the original text of the RFP are shown in bold type*)****(i) AT: PART 1 - General Information,**

**DELETE:** Section 2. Summary - Requirement" in its entirety, and

**INSERT IN LIEU:**

"Requirement

As part of the Land Command Support System Life Extension (LCSS LE) project, the Department of National Defence (DND) has a requirement for the provision of the following items:

- 1) a firm quantity of LCSS cable assemblies, as listed at Annex "B", B-1 **Tables Set**; and
- 2) two (2) options to procure additional quantities of certain LCSS cable assemblies, which may be exercised in whole or in part, as listed at Annex "B", B-2 **Tables Set**."

**(ii) AT: PART 3 - Bid Preparation Instructions:**

**DELETE:** "Section 2.2 Section II: Financial Bid" in its entirety; and

**INSERT IN LIEU:**

"Section 2.2 Section II: Financial Bid"

Bidders must submit their financial bid in accordance with the Basis of Payment, and must include in their financial bid a completed copy of the "Financial Bid Presentation **Sheets**" at B-3 **Set of Tables**, of Annex "B".

The total amount of Applicable Taxes must be shown separately.

**Bidders may bid on any or all of the Cable family groupings.**

**However, Bidders must bid on all items within a Cable family grouping."**

**(iii) AT: PART 4 - Evaluation Procedures and Basis of Selection:**

**(a) DELETE:** Section "1. EVALUATION PROCEDURES" - first entries (a), (b) and (c) in their entirety; and

**INSERT IN LIEU:**

"1. EVALUATION PROCEDURES

(a) Bids will be assessed in accordance with the entire requirement of the bid solicitation including the technical and financial evaluation criteria.

(b) An evaluation team composed of representatives of Canada will evaluate the bids.

(c) The evaluation team will determine first if there are three (3) or more bids with a valid Canadian Content certification, **for each Cable Family Grouping**. In that event, the evaluation process will be limited to the bids with the certification; otherwise, all bids will be evaluated. If some of the bids with valid certification are declared non-responsive, or are withdrawn, and fewer than three responsive bids with a valid certification remain, the evaluation will continue among those bids with a valid certification. If all bids with a valid certification are subsequently declared non-responsive, or are withdrawn, then all the other bids received will be evaluated."

**(b) DELETE:** "Section 1.3 Financial Evaluation" in its entirety; and

**INSERT IN LIEU:**

### "Section 1.3 Financial Evaluation"

PWGSC will conduct the evaluation of the Financial Bid, to determine its *Total Bid Price* for each **Cable Family Grouping**. These results, along with those obtained in the Technical Evaluation will be used to determine the *Price per Point for a Cable family grouping*, as detailed in section 2 below.

The Bidder must provide firm unit prices for each contract line item number (CLIN) listed in the **B-3 set of Tables of Annex B, for each cable family grouping being proposed**. The Bidder is requested to provide in an electronic copy of the **B-3 set of Tables** in MS Excel format, in addition to the paper copy.

The information contained in the B-3 set of Tables will generate the Bidder's *Total Bid Price* per **Cable Family Grouping**, which will be used in the selection process, detailed in Section 2 below. "

(c) **DELETE:** "Section 2.1 Determination of Price per Point" in its entirety; and

#### **INSERT IN LIEU:**

"Section 2.1 Determination of Price per Point

"The *Price per Point for each Cable Family Grouping* of each responsive bid will be calculated by dividing the *Total Bid Price of that Cable Family Grouping* (determined per Section 1.3) by the *Total Technical Evaluation Points* achieved (determined per Annex F, Section 1.1 b).

Price per Point **for a Cable Family Grouping** = 
$$\frac{\text{Total Bid Price for a Cable Family Grouping}}{\text{Total Technical Evaluation Points}^*}$$

\*(Maximum points available = 600)

Bids offering the lowest Price per Point for any (or all) Cable Family Grouping(s) will be recommended for award of a contract."

#### (iv) **AT: PART 7 - Resulting Contract Clauses:**

**DELETE:** at Section "**1. REQUIREMENT**" - the text of first para and Section 1.1 Optional Goods" in its entirety; and

#### **INSERT IN LIEU:**

## **A. COMMERCIAL GENERAL LIABILITY INSURANCE**

1. The Contractor must obtain Commercial General Liability Insurance, and maintain it in force throughout the duration of the Contract, in an amount usual for a contract of this nature, but for not less than \$2,000,000 per accident or occurrence and in the annual aggregate.
2. The Commercial General Liability policy must include the following:
  - (a) Additional Insured: Canada is added as an additional insured, but only with respect to liability arising out of the Contractor's performance of the Contract. The interest of Canada should read as follows: Canada, as represented by Public Works and Government Services Canada.
  - (b) Bodily Injury and Property Damage to third parties arising out of the operations of the Contractor.
  - (c) Products and Completed Operations: Coverage for bodily injury or property damage arising out of goods or products manufactured, sold, handled, or distributed by the Contractor and/or arising out of operations that have been completed by the Contractor.
  - (d) Personal Injury: While not limited to, the coverage must include Violation of Privacy, Libel and Slander, False Arrest, Detention or Imprisonment and Defamation of Character.
  - (e) Cross Liability/Separation of Insureds: Without increasing the limit of liability, the policy must protect all insured parties to the full extent of coverage provided. Further, the policy must apply to each Insured in the same manner and to the same extent as if a separate policy had been issued to each.
  - (f) Blanket Contractual Liability: The policy must, on a blanket basis or by specific reference to the Contract, extend to assumed liabilities with respect to contractual provisions.
  - (g) Employees and, if applicable, Volunteers must be included as Additional Insured.
  - (h) Employers' Liability (or confirmation that all employees are covered by Worker's compensation (WSIB) or similar program)
  - (i) Broad Form Property Damage including Completed Operations: Expands the Property Damage coverage to include certain losses that would otherwise be excluded by the standard care, custody or control exclusion found in a standard policy.
  - (j) Notice of Cancellation: The Insurer will endeavour to provide the Contracting Authority thirty (30) days written notice of policy cancellation.
  - (k) If the policy is written on a claims-made basis, coverage must be in place for a period of at least 12 months after the completion or termination of the Contract.
  - (l) Owners' or Contractors' Protective Liability: Covers the damages that the Contractor becomes legally obligated to pay arising out of the operations of a subcontractor.
  - (m) Non-Owned Automobile Liability - Coverage for suits against the Contractor resulting from the use of hired or non-owned vehicles.
  - (n) Litigation Rights: Pursuant to subsection 5(d) of the Department of Justice Act, S.C. 1993, c. J-2, s.1, if a suit is instituted for or against Canada which the Insurer would, but for this clause, have the right to pursue or defend on behalf of Canada as an Additional Named Insured under the insurance policy, the Insurer must promptly contact the Attorney General of Canada to agree on the legal strategies by sending a letter, by registered mail or by courier, with an acknowledgement of receipt.
