## AMENDMENT 010

### Fixed-Wing Search and Rescue Aircraft Replacement (FWSAR) Project

The purpose of this amendment (**010**) is to provide clarification to a question received.

#### Question #1:

Would a Joint Venture incorporated under the Laws of Canada, for which the majority owner is a foreign company, meet the definition of "Canadian ISS Integrator" provided in the draft Request for Proposal (RFP) documents?

#### Clarification to Question #1:

The draft RFP documents provide that the Canadian ISS Integrator must be a company that is incorporated under the Laws of Canada. A corporate Joint Venture will meet this requirement if it is incorporated under the Laws of Canada. Canada will not take into consideration the nationality of the owners (majority and minority) of the corporate Joint Venture.
