- (c) The evaluation team will determine first if there are three (3) or more offers with a valid Canadian Content certification. In that event, the evaluation process will be limited to the offers with the certification; otherwise, all offers will be evaluated. If some of the offers

with a valid certification are declared non-responsive, or are withdrawn, and less than three responsive offers with a valid certification remain, the evaluation will continue among those offers with a valid certification. If all offers with a valid certification are subsequently declared non-responsive, or are withdrawn, then all the other offers received will be evaluated.

1.2.1 The Firm Unit Price for each item will be multiplied by its respective annual estimated usage to determine a Total Extended Price for each year.

1.2.2 The Total Extended Prices for each year will be added together to obtain the Total Evaluated Offer Price.

2. Basis of Selection

An offer must comply with the requirements of the Request for Standing Offers to be declared responsive. The responsive offer with the lowest evaluated price will be recommended for issuance of a standing offer.

- (a) the first Standing Offer authorized for use, will be issued to the responsive Offeror whose total evaluated offer price is the lowest.
- (b) the second Standing Offer authorized for use, will be issued to the responsive Offeror who has the second lowest evaluated offer price.

If more than two (2) responsive offers have been received, the Standing Offers will be issued as follows:

- (a) the first Standing Offer authorized for use, will be issued to the responsive Offeror whose total evaluated offer price is the lowest.
- (b) the second Standing Offer authorized for use, will be issued to the responsive Offeror who has the second lowest evaluated offer price.

- (c) the third Standing Offer authorized for use, will be issued to the responsive Offeror who has the third lowest evaluated offer price.

If only one (1) responsive offer is received, one (1) standing offer will be authorized for use.

PART 5 - CERTIFICATIONS

Offerors must provide the required certifications and documentation to be issued a standing offer.

The certifications provided by offerors to Canada are subject to verification by Canada at all times. Canada will declare an offer non-responsive, will have the right to set-aside a standing offer, or will declare a contractor in default, if any certification is found to be untrue whether during the offer evaluation period, during the Standing Offer period, or during the contract period.

The Standing Offer Authority will have the right to ask for additional information to verify the Offeror's certifications.
