INQUIRIES:

Firms intending to submit tenders on this project should obtain tender (solicitation) documents through the MERX service provider. Addenda when issued will be available from the MERX service provider. Firms that elect to base their bids on tender (solicitation) documents obtained from other sources do so at their own risk and will be solely be responsible to inform the tender calling authority for their intention to bid. In all cases, bidders must indicate (when requested) in the space provided on the tender form the identification number(s) of the addenda, if any, that they have taken into consideration for their bid.
