Enquiries - Bid Solicitation - Clause # 2.3

To ensure consistency and quality of information provided to bidders, significant enquiries received and the replies to such enquiries will be provided simultaneously to bidders to which the bid solicitation has been sent, without revealing the sources of the enquiries.

Here are other questions which we have received until now:

Question 2 : The latest press of 300 Celsius we sold, was one year ago, is it acceptable as a reference project?

Answer 2 : Yes, since we require 6 months or later, and as long as the press in reference meets the technical specifications required in mandatory technical criterion # (3) on page 11 of the Request For Proposal.

Question 3 : Do you require a line drawing of the press offered with the bid?

Answer 3 : No, we do not require a line drawing of the offered press but a copy of complete specifications and technical notes of the product offered. Please, refer to mandatory technical criteria # (1) on page 9 of the Request For Proposal.

All other terms and conditions of the solicitation remain the same.
