Offerors should provide, with their offer or promptly thereafter, a complete list of names of all individuals who are currently directors of the Offerer. If such a list has not been received by the time the evaluation of offers is completed, Canada will inform the Offerer of a time frame within which to provide the information. Failure to provide such a list within the required time frame will render the offer non-responsive. Offerors must always submit the list of directors before standing offer award.

The Offerer must diligently maintain the list up-to-date by informing Canada in writing of any change occurring during the validity period of the offer, and must also provide Canada, when requested, with the corresponding Consent Forms.
