

## Amendment #2 to RFSO #20-13-6007

On page 1 of 56, Private Investigative Services

**Delete:**

For the bid to be considered compliant, the bidder must submit at the time of bid closing, the completed and duly signed "Certification Requirements" and "Owner/Employee Certification" forms included herein as part of the tender documents.

**Replace with:**

For the bid to be considered compliant, the bidder must submit at the time of bid closing, all completed and duly signed Certification forms included herein as part of the tender documents.

On page 11 of 56, Rated requirements

Insert in R-5 in the Definition of Rating Level column in relation to the 5 points for knowledge:

Rating	Description	Points
<b>Significantly exceeds the requirement</b>	The proposal fully addressed the rated criteria, dealt with all aspects in depth and provided value added extras that offered extraordinary benefits well beyond all elements of the requested requirement.	5
<b>Exceeds the requirement</b>	The proposal fully addressed the rated criteria and dealt with the aspects in depth. The response was superior and more than fully satisfied the elements of the requested requirement.	4
<b>Meets the Requirement</b>	The proposal addressed all elements of the rated criteria at a high level, but does not provide in-depth analysis of requested requirement.	3
<b>Does not fully meet the requirement</b>	The proposal did not address or only partially addressed the elements of the requested requirement.	0-2
