

## **Q & A - #1**

### Solicitation # K0532

#### Cost Benefit Analysis Resource for the Fertilizer Modernization Initiative

#### **Question 1**

**Are you able to provide greater and specific detail as to the items and options that are being considered for review and update etc. as part of the modernization of the Fertilizers Regulations, and with which the referenced Request for Proposal (RFP) is concerned?**

*Answer 1*

*The following link is being shared to provide some of the details of the modernization of the Fertilizer Regulations.*

[http://www.inspection.gc.ca/plants/fertilizers/program-overview/proposed-changes-to-fertilizer-program-administrat/eng/1371824564558/1371844294660.](http://www.inspection.gc.ca/plants/fertilizers/program-overview/proposed-changes-to-fertilizer-program-administrat/eng/1371824564558/1371844294660)

*It provides some additional information on the proposed regulatory strategy and represents the consultation document that is available.*
