

## Amendment 002 – Questions and Answers

- 1) The solicitation date is listed as 2013-12-13, however there were some difficulties downloading the complete RFP from the website. I'm wondering if EC is willing to consider providing an extension to the submission date of 2014-01-10, particularly in light of the fact that approximately 1 week of proposal preparation time will be lost due to the holidays?

Answer: The deadline is extended to Tuesday, January 14.

- 2) Part 3 indicates that hard copies are required for submission. Please confirm that electronic copies are unacceptable. Also, do the hardcopies need to be received by the proposal due date or post marked as of the deadline date?

Answer: Hard copies are required for submission and must be received in the Bid Receiving Unit on or before the deadline indicated.

- 3) Please confirm that the Bid Receiving Unit is 45 Alderney Drive, Dartmouth, NS.

Answer: Correct, the Bid Receiving Unit is 45 Alderney Drive, Dartmouth, NS.

- 4) Please insert into Request for Proposal under Part 6 - Insurance

Answer: The Contractor is responsible for deciding if insurance coverage is necessary to fulfill its obligation under the Contract and to ensure compliance with any applicable law. Any insurance acquired or maintained by the Contractor is at its own expense and for its own benefit and protection. It does not release the Contractor from or reduce its liability under the Contract.
