All instructions, clauses and conditions identified in the Request for Standing Offers (RFSO) by number, date and title are set out in the *Standard Acquisition Clauses and Conditions Manual* (<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual>) issued by Public Works and Government Services Canada.

Offerors who submit an offer agree to be bound by the instructions, clauses and conditions of the RFSO and accept the clauses and conditions of the Standing Offer and resulting contract(s).

The 2006 (2013-06-01) Standard Instructions - Request for Standing Offers - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the RFSO.

### **3. Enquiries - Request for Standing Offers**

All enquiries must be submitted in writing to the Standing Offer Authority no later than ten (10) calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the questions or may request that offerors do so, so that the proprietary nature of the question is eliminated, and the enquiry can be answered with copies to all offerors. Enquiries not submitted in a form that can be distributed to all offerors may not be answered by Canada.

### **4. Applicable Laws**

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the offerors.

### **5. Drawings - Items 55 & 56**

Canada requests that offerors provide their offer in separately bound sections as follows:

- Section I: Technical Offer ( 2 hard copies)
- Section II: Financial Offer ( 1 hard copy)
- Section III: Certifications ( 1 hard copy)
- Section IV: Additional Information ( 1 hard copy)

If there is a discrepancy between the wording of the soft copy and the hard copy, the wording of the hard copy will have priority over the wording of the soft copy.

Prices must appear in the financial offer only. No prices must be indicated in any other section of the offer.

Canada requests that offerors follow the format instructions described below in the preparation of their offer.

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;
- (b) use a numbering system that corresponds to that of the Request for Standing Offers.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process Policy on Green Procurement (<http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, offerors should:

## 1.1 Equivalent Products

1. Products that are equivalent in form, fit, function and quality to the item(s) specified in the Request for Standing Offer will be considered where the Offeror:

  - (b) states that the substitute product is fully interchangeable with the item specified;
  - (c) provides complete specifications and descriptive literature for each substitute product with the offer;
  - (d) provides compliance statements that include technical specifics showing the substitute product meets all mandatory performance criteria that are specified in the Request for Standing Offer; and
  - (e) clearly identifies those areas in the specifications and descriptive literature that support the substitute product's compliance with any mandatory performance criteria.
2. Products offered as equivalent in form, fit, function and quality will not be considered if:
  - (a) the offer fails to provide all the information requested to allow the Standing Offer Authority to fully evaluate the equivalency of each substitute product; or
  - (b) the substitute product fails to meet or exceed the mandatory performance criteria specified in the Request for Standing Offer for that item.
3. In conducting its evaluation of the offers, Canada may, but will have no obligation to, request offerors offering a substitute product to demonstrate, at the sole cost of offerors, that the substitute product is equivalent to the item specified in the Request for Standing Offer.

---

## 1.2 Substitute Products - Samples (DND)

If the Offeror offers a substitute product, Canada reserves the right to request a sample from the Offeror in order to determine its equivalency in form, fit, function, quality and performance to the item specified in the Request for Standing Offer.

The Offeror must, upon request from the Standing Offer Authority, provide a sample to the Technical Authority, transportation charges prepaid, and without charge to Canada, within ten (10) calendar days from the date of request. The sample submitted by the Offeror will remain the property of Canada and will not be considered as part of the deliverables in any resulting contract. If the sample does not meet the requirements of the Request for Standing Offer or the Offeror fails to comply with the request of the Standing Offer Authority, the offer will be declared non-responsive.

## Section II: Financial Offer

Offerors may withdraw one or more items after the Request for Standing Offer closing date but prior to the issuance of a Standing Offer award by advising in writing the Standing Offer Authority.

---

## 1.4 Exchange Rate Fluctuation

The requirement does not provide for exchange rate fluctuation protection. Any request for exchange rate fluctuation protection will not be considered and will render the offer non-responsive.

## **PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION**

### **1. Evaluation Procedures**

- (a) Offers will be assessed in accordance with the entire requirement of the Request for Standing Offers including the technical and financial evaluation criteria.
- (b) An evaluation team composed of representatives of Canada will evaluate the offers.

### **Evaluation Criteria**

All offers must be completed in full and provide all of the information requested in the RFSO document to enable full and complete evaluation.

#### **1.1 Financial Evaluation**

The RFSO takes into account pricing for each of the 5 years. The initial two year periods are firm fixed unit prices with the extension years subject to an estimated 2% annual Consumer Price Index (CPI) increase. These estimated prices will be adjusted on a yearly basis, by way of contract amendment, to reflect the actual CPI rates in affect at the time. The EUP will be determined as follows: Sum of unit prices of the initial 2 years plus the three (3) option years (Subject to a yearly estimated 2% CPI increase) divided by total number of possible years (5 years).

The optional years are based on the previous years price and will increase by the CPI each year thereafter. Negotiations for review of the yearly rates will take place prior to each contract anniversary.

**Example:**

Number of Years	Unit Price
1	`\$10.00
2	‘\$10.00
Option Year 1	\$10.00 + 2% = \$10.20
Option Year 2	\$10.20 + 2% = \$10.40
Option Year 3	\$10.40 + 2% = \$10.60

EUP is calculated as follows:

(Year 1 + Year 2 + Option Year 1 + Option Year 2 + Option Year 3) / 5 years

$EUP = (\$10.00 + \$10.00 + \$10.20 + \$10.40 + \$10.60) / 5$

$EUP = \$51.20 / 5$

$EUP = \$10.24$

**1.1.1 Mandatory Technical Criteria**

The following **Mandatory** factors will be taken into consideration in the evaluation of each offer:

Technical compliance (description of items as stated herein);

Offers must be submitted for all destinations per NSN.

Offers must be deemed technically compliant on at least 50 of the 62 items requested, in order to be considered for award of a Standing Offer.

**1.2.1 Pricing Basis**

The Offeror must quote firm unit prices in Canadian dollars, DDP Delivered Duty Paid (destination), Applicable Taxes extra, as applicable, as applicable. Freight charges to destination and all applicable Custom duties and Excise taxes must be included, as applicable.

## **2. Basis of Selection**

An offer must comply with the requirements of the Request for Standing Offers and meet all mandatory technical evaluation criteria to be declared responsive. The offeror must also be declared technically compliant on at least 50 of the 62 items requested on the RFSO to be considered. The responsive offer with the lowest Evaluation Unit Price (EUP) on an item by item basis and declared technically compliant on at least 50 items will be recommended for the issuance of a standing offer.

---

## PART 5 - CERTIFICATIONS

Offerors must provide the required certifications and documentation to be issued a standing offer.

The certifications provided by offerors to Canada are subject to verification by Canada at all times. Canada will declare an offer non-responsive, will have the right to set-aside a standing offer, or will declare a contractor in default, if any certification is found to be untrue whether during the offer evaluation period, during the Standing Offer period, or during the contract period.

The Standing Offer Authority will have the right to ask for additional information to verify the Offeror's certifications. Failure to comply with this request will also render the Offer non-responsive or may result in the setting aside of the Standing Offer or will constitute a default under the Contract.

### **1. Mandatory Certifications Required Precedent to Issuance of a Standing Offer**

#### **1.1 Code of Conduct and Certifications - Related documentation**

By submitting an offer, the Offeror certifies that the Offeror and its affiliates are in compliance with the provisions as stated in Section 01 Code of Conduct and Certifications - Offer of Standard Instructions 2006. The related documentation therein required will assist Canada in confirming that the certifications are true.

#### **1.2 Federal Contractors Program for Employment Equity - Standing Offer Certification**

By submitting an offer, the Offeror certifies that the Offeror, and any of the Offeror's members if the Offeror is a Joint Venture, is not named on the Federal Contractors Program (FCP) for employment equity "FCP Limited Eligibility to Bid" list ([http://www.labour.gc.ca/eng/standards\\_equity/eq/emp/fcp/list/inelig.shtml](http://www.labour.gc.ca/eng/standards_equity/eq/emp/fcp/list/inelig.shtml)) available from HRSDC-Labour's website.

Canada will have the right to declare an offer non-responsive, or to set-aside a Standing Offer, if the Offeror, or any member of the Offeror if the Offeror is a Joint Venture, appears on the "FCP Limited Eligibility to Bid" list at the time of issuing of a Standing Offer or during the period of the Standing Offer.
