Annex B      Basis of Payment

#### List of Appendices

- Appendix A

## **PART 1 - GENERAL INFORMATION**

### **1. Security Requirement**

There is no security requirement associated with this bid solicitation.

### **2. Requirement**

The requirement is detailed under Article 2 of the resulting contract clauses.

### **3. Debriefings**

Bidders may request a debriefing on the results of the bid solicitation process. Bidders should make the request to the Contracting Authority within 15 working days of receipt of the results of the bid solicitation process. The debriefing may be in writing, by telephone or in person.

## **PART 2 - BIDDER INSTRUCTIONS**

### **1. Standard Instructions, Clauses and Conditions**

All instructions, clauses and conditions identified in the bid solicitation by number, date and title are set out in the Standard Acquisition Clauses and Conditions Manual (<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual>) issued by Public Works and Government Services Canada.

Bidders who submit a bid agree to be bound by the instructions, clauses and conditions of the bid solicitation and accept the clauses and conditions of the resulting contract.

The 2003 (2013-06-01) Standard Instructions - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the bid solicitation.

### **2. Submission of Bids**

Bids must be submitted only to Public Works and Government Services Canada (PWGSC) Bid Receiving Unit by the date, time and place indicated on page 1 of the bid solicitation.

### **3. Enquiries - Bid Solicitation**

All enquiries must be submitted in writing to the Contracting Authority no later than **ten (10)** calendar days before the bid closing date. Enquiries received after that time may not be answered.

Bidders should reference as accurately as possible the numbered item of the bid solicitation to which the enquiry relates. Care should be taken by bidders to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the questions or may request that the Bidder do so, so that the proprietary nature of the question is eliminated, and the enquiry can be answered with copies to all bidders. Enquiries not submitted in a form that can be distributed to all bidders may not be answered by Canada.

#### 4. Applicable Laws

Any resulting contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario.

Bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their bid, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the bidders.

### PART 3 - BID PREPARATION INSTRUCTIONS

#### 1. Bid Preparation Instructions

Canada requests that bidders provide their bid in separately bound sections as follows:

Section I: Technical Bid 2 hard copies

Section II: Financial Bid 1 hard copy

Section III: Certifications 1 hard copy

Prices must appear in the financial bid only. No prices must be indicated in any other section of the bid.

Canada requests that bidders follow the format instructions described below in the preparation of their bid:

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;
- (b) use a numbering system that corresponds to the bid solicitation.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process [Policy on Green Procurement](http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html) (<http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, bidders should:

- 1) use 8.5 x 11 inch (216 mm x 279 mm) paper containing fibre certified as originating from a sustainably-managed forest and containing minimum 30% recycled content; and
- 2) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

#### Section I: Technical Bid

In their technical bid, bidders should explain and demonstrate how they propose to meet the requirements and how they will carry out the Work.

#### Section II: Financial Bid

Bidders must submit their financial bid in accordance with the Basis of Payment. The total amount of Applicable Taxes must be shown separately.

## 1.1 Exchange Rate Fluctuation

C3011T (2013-11-06), Exchange Rate Fluctuation

## Section III: Certifications

Bidders must submit the certifications required under Part 5.

## PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

### 1. Evaluation Procedures

- (a) Bids will be assessed in accordance with the entire requirement of the bid solicitation including the technical and financial evaluation criteria.
- (b) An evaluation team composed of representatives of Canada will evaluate the bids.

### 1.1 Technical Evaluation

#### 1.1.1 Mandatory Technical Criteria

Item #	Mandatory Requirement
<b>M1</b>	<p>The Bidder must provide documentation and/or statements of compliance demonstrating that the proposed floating docks meet the following minimum specifications:</p> <ol style="list-style-type: none"> <li>1. Steel Float Tubes:               <ol style="list-style-type: none"> <li>a. must be 24 inches x 3/16 inches welded pipe</li> <li>b. all welds must conform to the applicable welding standards/codes</li> <li>c. the Bidder must submit copies of valid certifications for all proposed welders</li> </ol> </li> <li>2. Sub Frame:               <ol style="list-style-type: none"> <li>a. must be 3 inches x 3 inches x 3/16 inches length using 44W steel</li> </ol> </li> <li>3. Coating (steel surfaces):               <ol style="list-style-type: none"> <li>a. the Contractor must use BAR-RUST Epoxy Coating or equivalent commercial epoxy coating</li> </ol> </li> <li>4. Decking:               <ol style="list-style-type: none"> <li>a. must be 2 inches by 6 inches</li> <li>b. must be removable in 4' to 6' sections (for easier installation)</li> <li>c. must be ACQ - Amine Copper Quaternary or CA - Copper Azole pressure treated wood</li> <li>d. must be screw mounted deck boards</li> </ol> </li> <li>5. Skirt Boards:               <ol style="list-style-type: none"> <li>a. must be 2 inches x 8 inches</li> <li>b. must be ACQ - Amine Copper Quaternary or CA - Copper Azole pressure treated wood</li> </ol> </li> </ol>

6.	Stringers: <ul style="list-style-type: none"> <li>a. 4inches x 4inches</li> <li>b. must be ACQ - Amine Copper Quaternary or CA - Copper Azole pressure treated wood</li> </ul>
7.	Connectors: <ul style="list-style-type: none"> <li>a. must include steel connecting hardware to allow for each dock configuration as shown in Appendix A</li> <li>b. must be galvanized or otherwise corrosion resistant.</li> </ul>
8.	All materials, including metal fittings, hardware, nails, hinges and bolts must be galvanized or otherwise corrosion resistant.
9.	The mooring rings/cleats on the docks must be of sufficient strength to moor/tie 40ft vessels/boats.
10.	Must include anchor points: <ul style="list-style-type: none"> <li>a. four anchor plates are required for each dock, two at each end</li> <li>b. must fit the dimension of the anchor chains which is 3/8"</li> </ul>
11.	Deck height must be 18 inches to 20 inches above the water
12.	Docks: <ul style="list-style-type: none"> <li>a. must be structurally framed so as to sustain pressures from ice, vessels/boats up to 40ft as well as having vessels/boats moored to them in heavy winds/waves.</li> <li>b. must have cross bars/stringers to take weight from centre.</li> <li>c. must float in 2 feet of water</li> </ul>

## 1.2 Financial Evaluation

### 1.2.1 Mandatory Financial Criteria

The Bidder must submit with its bid, pricing details in accordance with Annex B – Basis of Payment, in Canadian funds. Pricing must be provided for all firm requirements.

Bids will be evaluated based on the prices detailed in Annex B – Basis of Payment.

The price used in the evaluation will be the Total Evaluated Cost which is calculated as follows:

Total Evaluated Cost is the sum of the Extended Price.

The Extended Price is the Quantity multiplied by the Firm Unit Price.

### 1.2.2 SACC Manual Clause

SACC Manual Clause A0220T (2013-04-25), Evaluation of Price

## **2. Basis of Selection**

- 2.1** A bid must comply with the requirements of the bid solicitation and meet all mandatory technical evaluation criteria to be declared responsive. The responsive bid with the lowest evaluated price will be recommended for award of a contract.

## **PART 5 - CERTIFICATIONS**

Bidders must provide the required certifications and documentation to be awarded a contract.

The certifications provided by bidders to Canada are subject to verification by Canada at all times. Canada will declare a bid non-responsive, or will declare a contractor in default, if any certification made by the Bidder is found to be untrue whether during the bid evaluation period or during the contract period.

The Contracting Authority will have the right to ask for additional information to verify the Bidder's certifications. Failure to comply with this request will also render the bid non-responsive or will constitute a default under the Contract.

### **1. Mandatory Certifications Required Precedent to Contract Award**

#### **1.1 Code of Conduct and Certifications - Related documentation**

By submitting a bid, the Bidder certifies that the Bidder and its affiliates are in compliance with the provisions as stated in Section 01 Code of Conduct and Certifications - Bid of Standard Instructions 2003. The related documentation therein required will assist Canada in confirming that the certifications are true.

#### **1.2 Federal Contractors Program for Employment Equity - Bid Certification**

By submitting a bid, the Bidder certifies that the Bidder, and any of the Bidder's members if the Bidder is a Joint Venture, is not named on the Federal Contractors Program (FCP) for employment equity "FCP Limited Eligibility to Bid" list ([http://www.labour.gc.ca/eng/standards\\_equity/eq/emp/fcp/list/inelig.shtml](http://www.labour.gc.ca/eng/standards_equity/eq/emp/fcp/list/inelig.shtml)) available from Human Resources and Skills Development Canada (HRSDC) - Labour's website.

Canada will have the right to declare a bid non-responsive if the Bidder, or any member of the Bidder if the Bidder is a Joint Venture, appears on the "FCP Limited Eligibility to Bid" list at the time of contract award.

## **PART 6 - RESULTING CONTRACT CLAUSES**

### **1. Security Requirement**

There is no security requirement applicable to this Contract.

### **2. Requirement**

The Contractor must provide the items detailed under the Requirement at Annex A.

### **3. Standard Clauses and Conditions**

All clauses and conditions identified in the Contract by number, date and title are set out in the Standard Acquisition Clauses and Conditions Manual(<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual>) issued by Public Works and Government Services Canada.

#### **3.1 General Conditions**

2010A (2013-04-25), General Conditions - Goods (Medium Complexity), apply to and form part of the Contract.

### **4. Term of Contract**

#### **4.1 Delivery Date**

All the deliverables must be received on or before March 10, 2014.

### **5. Authorities**

#### **5.1 Contracting Authority**

The Contracting Authority for the Contract is:

Name: Lisa Escander

Title: Supply Specialist

Public Works and Government Services Canada

Acquisitions Branch

Address: 33 City Centre Drive, Suite 480C

Mississauga, Ontario

L5B 2N5

Telephone: 902-615-2062

Facsimile: 905-615-2060

E-mail address: [Lisa.Escander@pwgsc-tpsgc.gc.ca](mailto:Lisa.Escander@pwgsc-tpsgc.gc.ca)

The Contracting Authority is responsible for the management of the Contract and any changes to the Contract must be authorized in writing by the Contracting Authority. The Contractor must not perform work in excess of or outside the scope of the Contract based on verbal or written requests or instructions from anybody other than the Contracting Authority.

**5.2 Project Authority** (*to be inserted at contract award*)

The Project Authority for the Contract is:

Name: \_\_\_\_\_

Title: \_\_\_\_\_

Organization: \_\_\_\_\_

Address: \_\_\_\_\_

Telephone: \_\_\_\_\_

Facsimile: \_\_\_\_\_

E-mail address: \_\_\_\_\_

The Project Authority is the representative of the department or agency for whom the Work is being carried out under the Contract and is responsible for all matters concerning the technical content of the Work under the Contract. Technical matters may be discussed with the Project Authority; however the Project Authority has no authority to authorize changes to the scope of the Work. Changes to the scope of the Work can only be made through a contract amendment issued by the Contracting Authority.

**5.3 Contractor's Representative**

Name: \_\_\_\_\_

Title: \_\_\_\_\_

Organization: \_\_\_\_\_

Address: \_\_\_\_\_

Telephone: \_\_\_\_\_

Facsimile: \_\_\_\_\_

E-mail address: \_\_\_\_\_

**6. Payment****6.1 Basis of Payment**

In consideration of the Contractor satisfactorily completing all of its obligations under the Contract, the Contractor will be paid a firm price, as specified in Annex B for a cost of \$ \_\_\_\_\_ (*to be inserted at contract award*). Customs duties are included and Applicable Taxes are extra.

Canada will not pay the Contractor for any design changes, modifications or interpretations of the Work, unless they have been approved, in writing, by the Contracting Authority before their incorporation into the Work.

**6.2 Limitation of Price**

SACC Manual clause C6000C (2011-05-16) Limitation of Price

**6.3 Single Payment**

SACC Manual clause H1000C (2008-05-12) Single Payment

## **7. Invoicing Instructions**

- 7.1 The Contractor must submit invoices in accordance with the section entitled "Invoice Submission" of the general conditions. Invoices cannot be submitted until all work identified in the invoice is completed.
- 7.2 Invoices must be distributed as follows:
- a) The original and one (1) copy must be forwarded to the address shown on page 1 of the Contract for certification and payment.
  - b) One (1) copy must be forwarded to the Contracting Authority identified under the section entitled "Authorities" of the Contract.

## **8. Certifications**

### **8.1 Compliance**

Compliance with the certifications and related documentation provided by the Contractor in its bid is a condition of the Contract and subject to verification by Canada during the term of the Contract. If the Contractor does not comply with any certification, provide the related documentation or if it is determined that any certification made by the Contractor in its bid is untrue, whether made knowingly or unknowingly, Canada has the right, pursuant to the default provision of the Contract, to terminate the Contract for default.

## **9. Applicable Laws**

The Contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in \_\_\_\_\_.

## **10. Priority of Documents**

If there is a discrepancy between the wording of any documents that appear on the list, the wording of the document that first appears on the list has priority over the wording of any document that subsequently appears on the list.

- (a) the Articles of Agreement;
- (b) the general conditions 2010A (2013-04-25), General Conditions - Goods (Medium Complexity);
- (c) Annex A, Requirement;
- (d) Annex B, Basis of Payment;
- (e) Appendix A
- (f) the Contractor's bid dated \_\_\_\_\_ (*to be inserted at contract award*)

---

The Contractor is responsible for deciding if insurance coverage is necessary to fulfill its obligation under the Contract and to ensure compliance with any applicable law. Any insurance acquired or maintained by the Contractor is at its own expense and for its own benefit and protection. It does not release the Contractor from or reduce its liability under the Contract.

---

## **ANNEX "A"**

### **REQUIREMENT**

### **FLOATING DOCKS**

#### **A1 Background**

The Parks Canada Agency has a requirement to purchase floating docks.

#### **A2 Requirement**

The Contractor must supply and deliver fourteen (14) floating docks measuring 30 ft long by 6 ft wide, six (6) floating docks measuring 40 ft long by 6 ft wide and eight (8) floating docks measuring 20 ft long by 6 ft wide.

The minimum requirements for the floating docks are:

1. Steel Float Tubes:
  - a. must be 24 inches x 3/16 inches welded pipe
  - b. all welds must conform to the applicable welding standards/codes
2. Sub Frame:
  - a. must be 3 inches x 3 inches x 3/16 inches length using 44W steel
3. Coating (steel surfaces):
  - a. the Contractor must use BAR-RUST Epoxy Coating or equivalent commercial epoxy coating
4. Decking:
  - a. must be 2 inches by 6 inches
  - b. must be removable in 4' to 6' sections (for easier installation)
  - c. must be ACQ - Amine Copper Quaternary or CA - Copper Azole pressure treated wood
  - d. must be screw mounted deck boards
5. Skirt Boards:
  - a. must be 2 inches x 8 inches
  - b. must be ACQ - Amine Copper Quaternary or CA - Copper Azole pressure treated wood
6. Stringers:
  - a. 4inches x 4inches
  - b. must be ACQ - Amine Copper Quaternary or CA - Copper Azole pressure treated wood
7. Connectors:
  - a. must include steel connecting hardware to allow for each dock configuration as shown in Appendix A
  - b. must be galvanized or otherwise corrosion resistant.
8. All materials, including metal fittings, hardware, nails, hinges and bolts must be galvanized or otherwise corrosion resistant.
9. The mooring rings/cleats on the docks must be of sufficient strength to moor/tie 40ft vessels/boats.
10. Must include anchor points:
  - c. four anchor plates are required for each dock, two at each end

- d. must fit the dimension of the anchor chains which is 3/8"
- 11. Deck height must be 18 inches to 20 inches above the water
- 12. Docks:
  - a. must be structurally framed so as to sustain pressures from vessels/boats up to 40ft as well as having vessels/boats moored to them in heavy winds/waves.
  - b. must have cross bars/stringers to take weight from centre.
  - c. must float in 2 feet of water
- 13. The contractor must provide all of the expertise, personnel, materials/hardware and equipment in the construction of these docks. The practices used must conform to engineering principles/practices.
- 14. The Contractor must, at their cost, deliver and offload the docks on the shoreline at Georgian Bay Islands National Park, Operations Centre in Honey Harbour ON.
