This solicitation amendment 006 is raised to answer questions pertaining to the RFP.

Questions and Answers:**Question 70**

If the vendor must use a third party to fulfill the RGBB requirements, will PWGSC contract directly with that third party if they are capable of fulfilling the terms of the solicitation.

Response 70

No. Any resulting contract will be awarded to the responsive bidder with the lowest evaluated price per point, as indicated in Part 4 - Evaluation Procedures and Basis of Selection of the RFP.

Question 71

If the answer is no and a single contract is required, will PWGSC allow the third parties agreement as an addendum or exhibit, as long as a single billing and acquiring relationship is established? Note: This applicable to the RGBB platform only.

Response 71

Any agreement with a third party is the responsibility of any resulting Contractor and will not form part of any resulting contract.

Question 72

Will the vendor be able to submit a TA for the initial costs to develop/integrate to the RGBB Statement of Work, Annex A?

Response 72

Any resulting contractor will receive a Task Authorization (TA) authorized and issued by the Project Authority in order to implement the RGBB Solution. It will be the responsibility of any resulting contractor to provide the Project Authority with a signed and dated response including the total estimated cost proposed for performing the task as stipulated in Part 7 – Resulting Contract Clauses at subarticle 1.2.4.2., up to the ceiling price established in Annex B, section 5.1.1 – RGBB Solution Implementation of the RFP.
