

Q&A #2

Date: January 17, 2014

Project: London Fire Stopping Project-Doors

Bidders must make sure that their bids are based on the latest version of the tender documents published and take into consideration the following amendments and information, including any information provided on amendments or Q&As previously published for this project.

Bidders that do not comply with this requirement will be discarded.

Please note: In order to provide the integrity of the questions that AAFC has received from bidders, you will find in this document the questions in the language that they were asked.

Les soumissionnaires doivent s'assurer que leurs propositions soient basées sur la version la plus récente des documents de soumission publiés et prennent en considération les informations ci-dessous, incluant toute information déjà publiée lors d'amendements ou Q&Rs antérieurs.

Les propositions ne respectant pas cette exigence seront rejetées.

À noter : Dans le but de respecter l'intégrité des questions qu'AAFC a reçu des soumissionnaires, vous trouverez les questions dans la langue de choix du soumissionnaire.

- 1. Question:** I would like to know if the existing cylinders that are already keyed to the building system would be able to be reused in the new locks that would be supplied for this project.

Answer: Yes. New cylinders are to be given to AAFC for use as spares.
