This amendment replaces amendment 005 which was published blank in error.

The purpose of this amendment is to inform all prospective bidders that the dates for the DND TEME move have changed.

Due to a problem with the construction of the building, DND will not be able to occupy the building until March 3, 2014, at the earliest. It is then expected the physical move will be pushed ahead and held between March 3 to April 30, 2014.

At this time these dates are the best estimates of the timing of the move, and as the building is under construction, the dates are subject to change.

All other terms and conditions remain the same.
