1. Questions and Answers

Q1. I would like to know whether the plan to replace the fence will result in it being replaced in one go, or if done gradually, how often and how many feet each time work is done.

A1. *If a fence needs to be replaced we strive to have it completed all at once to maintain security within a military establishment. I cannot forecast the frequency and lengths of fences that require replacement. This based on inspections and users reporting damage.*

Q2. This is a schedule 40 or conventional fence.

A2. *Instructions To Bidders, Section 00 21 13, Page 5, Quantities and for Basis of Payment, 1.16.2. References "A standard 8 foot high chain link fence".*

Wire Fence and Gates, Section 32 31 26, Page 1, Reference Standards, 1.2.1. Check references listed in this sub section.

Q3. Will the fence be erected during the winter?

A3. *Outside more than likely not however, there may be an extraordinary circumstance where it may happen. Inside a building yes.*
