

THIS SOLICITATION AMENDMENT IS ISSUED TO:
Publish Canada's Responses to Industry questions and modify the RFP
NOTE: Clarification questions are numerically sequenced upon arrival at SSC. Questions and answers for this solicitation may be issued out of sequence.

Question 2	Sections 2.2.1 and 2.2.2 of the RFP stipulate that bids must be mailed to SSC and bids delivered by hand will not be accepted. Does this also mean that bids sent via courier (eg: Purolator) will not be accepted?
Canada's Response to Question 2	As per section 2.1.5, "Delivery Company means an incorporated courier company, Canada Post Corporation, or a national equivalent of a foreign country." Therefore, a bid sent by courier will be accepted.
Question 3	If bids must be sent via regular mail, we would like to request an extension in order to adequately respond to the requirements.
Canada's Response to Question 3	See response to question 2 above.
Question 4	Does the 20-page limit only apply to the response to mandatory criteria M.1 through M.8? Is all other content (rated responses, financial, and required forms) excluded from this constraint?
Canada's Response to Question 4	The 20 page limit is for the approach document only. All other elements of the bid (i.e. financial bid, bid submission form, etc) are not included in the page limit.

ALL OTHER TERMS AND CONDITIONS OF THIS SOLICITATION
REMAIN UNCHANGED.
