This amendment 004 to the request for proposal is to:

- 1- Modify section 2.1.2 at Annex A and**
- 2- Answer a question from the industry**

Replace section 2.1.2 at Annex A by:

The system must be based on method 7473 from United States Environmental Protection Agency (USEPA) or method D6722-01 from the American Society of Testing Material (ASTM).

The supplier's bid must include a paper copy of one of two methods for approval by the technical authority.

QUESTION 1

We kindly request the solicitation be amended by removing the following sentence from Annex section 2.1.2 at Annex A: " Bidders must provide paper or electronic versions to prove that the system has been approved."

ANSWER 1

Section 2.1.2 at annex A has been amended. The system does not have to be approved by the EPA or the ATMS. However, it is mandatory that the system is based on the EPA 7473 method or ATSM D6722-01. The supplier's bid must include documentation demonstrating that the system meets EPA Method 7473 or ATSM D6722-01.

All other terms and conditions remain the same.
