Solicitation Amendment No. 002 is being raised to address the following Questions & Answers:

Q1: In Section I: Technical bid, the solicitation states that 'bidders should demonstrate their understanding of the requirements contained in the bid solicitation and explain how they will meet these requirements'. Can we refer to our brochure which includes all the specifications?

A1: As Per Annex "D" - Evaluation Criteria, bidders must demonstrate meeting the criteria by providing proof in their bids.

Please reference the above Annex for further details.

Q2: In Section II: Financial bid, the solicitation states that 'the total amount of Applicable Taxes must be shown seperately'. For us, it is very hard to determine the Canadian customs duties and excise taxes, especially two years in advance. Can we exclude all taxes from our bid?

A2: As this is a competitive tender, no change to the solicitation will be made to any terms and conditions.

Q3: In the general Requirements 2.1 Documentation, the solicitation states that 'the contractor must provide at the time of delivery, documentation in English that will include all necessary circuit diagram, details of calibrations check and acceptable limits. We provide a manual but that does not include any circuit diagrams, is this mandatory?

A3: All requirements (includig circuit diagrams) identified under Annex A, Section 2.1 - Documentation must be provided at the time of delivery.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
