Amendment 1 is raised to answer questions from bidders.

Part Number: 2104-820-105, Model Jabra (GN2120)

- 1) Does the tender have to be a Jabra branded. Will you accept equivalents by another manufacturer?
Not necessarily, yes **provided that** the product(s) procured are both compatible with the Avaya VOIP desk phone that is being implemented across the department(ESDC) and also be compatible with MS Lync 2010 that is installed on every workstation – the three Jabra components identified in this request combined satisfy these requirements while providing a means to serve as a hands free headset or a PC headset without having to disconnect from the phone to the PC or vice versa (which is another requirement).
- 2) Does the Headset need to be monaural or binaural? (One ear or two ear headsets)
Monaural –
Please ensure binaural is **not procured** as people have a tendency to speak louder than necessary using these types of headsets.
- 3) Is noise cancellation a requirement?
Yes – very important.
