Question

- 1) Quick question about the job listed here in St Johns for a medical officer. I currently have several members as patients, and do physicals when requested on members from out of town. I'm interested in applying for the job, but does that mean I would be unable to continue to see the members as I have described?

Answer

- 1) The contractor can keep their current RCMP patients, but if the member requires the HSO for RCMP work related issues the other doctor would be used.
