| <b>DIVISION 1 GENERAL REQUIREMENTS</b>                       |                   |
| 011155 General Instructions .....                            | 8                 |
| 011400 Work Restrictions .....                               | 3                 |
| 012901 Measurement and Payment .....                         | 8                 |
| 013119 Project Meetings .....                                | 3                 |
| 013216.07 Construction Progress Schedule – Bar (GANTT) ..... | 3                 |
| 013300 Submittal Procedures .....                            | 3                 |
| 013301 Shop Drawings, Product Data and Samples .....         | 3                 |
| 013533 Health and Safety Requirements .....                  | 7                 |
| 013543 Environmental Procedures .....                        | 8                 |
| 014500 Quality Control .....                                 | 3                 |
| 015100 Temporary Facilities .....                            | 1                 |
| 015600 Temporary Barriers and Enclosures .....               | 2                 |
| 016110 Product Requirements .....                            | 4                 |
| 017300 Execution .....                                       | 2                 |
| 017411 Cleaning .....  | 2                 |
| 017419 Waste Management and Disposal .....                   | 2                 |
| 017700 Closeout Procedures .....                             | 2                 |
| 017830 Closeout Submittals .....                             | 4                 |
| <b>DIVISION 2 EXISTING CONDITIONS</b>                        |                   |
| 024116 Structure Demolition .....                            | 4                 |
| <b>DIVISION 3 CONCRETE</b>                                   |                   |
| 031000 Concrete Forming and Accessories .....                | 3                 |
| 032000 Concrete Reinforcing .....                            | 3                 |
| 033000.01 Cast-in-Place Concrete – Short Form .....          | 4                 |
| <b>DIVISION 5 METALS</b>                                     |                   |
| 051200 Structural Steel for Bridges .....                    | 6                 |
| <b>DIVISION 6 Woods, Plastics and Composites</b>             |                   |
| 060573 Wood Treatment .....                                  | 2                 |
| 061000 Rough Carpentry .....                                 | 3                 |
| <b>DIVISION 31 Earthworks</b>                                |                   |
| 310000.01 Earthwork Short Form .....                         | 4                 |
| 313700 Rip-rap .....   | 2                 |
| 316813 Soil Anchors .....                                    | 7                 |
| <b>DIVISION 32 Exterior Improvements</b>                     |                   |
| 321540 Crushed Stone Surfacing .....                         | 4                 |

**LIST OF DRAWINGS – Not Bound In**

**STANLEY GLACIER**

|      |   |
|------|---|
| S101 | Parking Area Site Plan, Location Plan, General Notes  |
| S102 | Bridge Area Site Plan                                 |
| S201 | Demolition Plan, Elevation, Sections and Details      |
| S202 | General Arrangement                                   |
| S203 | East and West Abutment Plans, Elevations and Sections |
| S301 | East and West Abutment Sections and Details           |
| S302 | Steel Sections and Details                            |
| S303 | Railing Elevation, Sections and Details               |

**PAINT POTS**

|      |   |
|------|---|
| S101 | Parking Area Site Plan, Location Plan, General Notes    |
| S102 | Bridge Area Site Plan                                   |
| S201 | General Arrangement                                     |
| S202 | North and South Abutment Plans, Elevations and Sections |
| S301 | North and South Abutment Sections and Details           |
| S302 | Steel Connection Sections and Details                   |

**APPENDICES**

|            |   |    |
|------------|---|----|
| Appendix A | Basic Environmental Impact Analysis – Paint Pots and Stanley Glacier      |    |
|            | Day Use Areas New Bridges .....   | 52 |
| Appendix B | Tables 5.3 – 5.9 Environmental Effects and Mitigation Measures of Routine |    |
|            | Frontcountry Projects by Physical Activity .....                          | 13 |
| Appendix C | Fire Road Access Map – Paint Pots .....                                   | 1  |
