INVITATION TO TENDER

Sealed Tenders, addressed to:

Fisheries and Oceans, Canada
TENDER SUBMISSION
301 Bishop Drive
Fredericton NB
E3C 2M6

and marked: Tender F5211-130409
Bamfield Diesel fuel storage system

will be received up to: FRIDAY, 21 February 2014
2:00 p.m. Atlantic time

Nature of Work:

The Department of Fisheries and Oceans Canada has a requirement to

- Removal and disposal of one aboveground 9,100 litre double wall steel diesel tank
- Removal of the existing dispensing pump, hose, and nozzle (equipment to be left with owner)
- Transportation and installation of one new owner supplied 13,600 litre horizontal double wall split gasoline and diesel fuel tank (tank to be transported from Langley, BC to the Bamfield SAR Station)
- Supply and install all required piping, valves, fittings, and miscellaneous components for each tank section and its dispenser pump.
- Supply and installation of two submerged turbine pumps with electrical connections
- Supply and installation of one lockable aluminum fuelling cabinet for gasoline complete with dispensing hose with inline meter, power driven hose reel and associated piping, valves and fittings.
- Remove and reinstall one existing, lockable, aluminum fuelling cabinet for diesel complete with dispensing hose with inline meter, power driven hose reel and associated piping, valves and fittings.
- Supply and installation of underground fuel transfer piping with a transition sump. New underground fuel piping to tie into existing underground sump and pipe at existing tank system location.
- Supply and install of electrical grounding system, lights, monitors, alarms and emergency shut-offs

Bidders are instructed to consult the appended tender package for further details and specific requirements.

Site Locations: Bamfield ASR Station on the west side of Bamfield Inlet on the west coast of Vancouver Island, approximately 55 kilometres southwest of Port Alberni, BC. It is accessible only by water or air across Bamfield Inlet from the existing highway terminus.

Start Date: Upon Award.

Completion Date: All work to be completed by 31 March 2014

Site Visit: There will not be a site visit for this requirement.

Security Requirements: Escorts will be provided if needed.

Inquiries: Direct all technical and contractual inquiries to the contracting authority Kimberly Walker by email at DFOtenders-soumissionsMPO@dfo-mpo.gc.ca.

Bidders should note that all questions regarding this request for proposals must be submitted in writing, **No Later Than February 18th, 2014, 2 pm (14:00 Hours) ATLANTIC TIME** to the contract authority as set out in section 18 of annex 1- offer of services / contract form. The department will be unable to respond to questions submitted after that date.

Fisheries and Oceans Canada will not necessarily accept the lowest or any of the tenders received and reserves the right to reject any and all tenders received which shall be final and at the sole discretion of the Department.

APPEL D'OFFRES

Faire parvenir les soumissions cachetées à :

Pêches et Océans Canada
SOUSSION CONSÉCUTIVE À UN APPEL D'OFFRES
301 Bishop Drive
Fredericton (N.-B.) E3C 2M6

**et indiquer : Soumission F5211-1303409
Système Bamfeild de stockage de carburant diesel**

**Les soumissions seront acceptées jusqu'à : VENDRI, 21 FEVRIER 2014
14 h, heure de l'Atlantique**

Nature des travaux :

Pêches et Océans Canada a besoin des services suivants :

- Retrait et élimination d'un réservoir de carburant diesel hors terre à double paroi d'une capacité de 9 100 litres.
- Retrait de la pompe, du boyau et de la buse de distribution (matériel à laisser au propriétaire).
- Transport et installation d'un nouveau réservoir horizontal double de diesel et d'essence à double paroi d'une capacité de 13 600 litres fourni par le propriétaire (ce réservoir doit être transporté de Langley, en C.-B., à la station de R et S de Bamfield).
- Fourniture et installation de la tuyauterie, des vannes, des raccords et des autres éléments nécessaires au fonctionnement de chaque partie du réservoir ainsi que de sa pompe de distribution.
- Fourniture et installation de deux turbopompes submergées avec raccords électriques.
- Fourniture et installation d'une armoire à carburant verrouillable en aluminium pour l'essence; celle-ci doit comprendre un boyau de distribution avec compteur en ligne, un dévidoir automatique ainsi que les tuyaux, les vannes et les raccordements nécessaires.
- Retrait et réinstallation d'une armoire à carburant verrouillable en aluminium pour l'essence déjà en place; celle-ci comprend un boyau de distribution avec compteur en ligne, un dévidoir automatique ainsi que les tuyaux, les vannes et les raccordements nécessaires.
- Fourniture et installation de la tuyauterie souterraine permettant le transfert du carburant avec un puisard de transition. Nouvelle tuyauterie souterraine devant être raccordée au puisard souterrain existant à l'emplacement du système de réservoir déjà en place.

- Fourniture et installation d'un système de mise à terre électrique, de lumières, de moniteurs, d'alarmes et de fermetures d'urgence.

On rappelle aux soumissionnaires de consulter le dossier d'appel d'offres pour obtenir de plus amples renseignements et les exigences particulières.

Emplacement : Station de R et S de Bamfield, sur la rive ouest de l'inlet Bamfield, sur la côte ouest de l'île de Vancouver, à environ 55 km au sud-ouest de Port Alberni (C.-B.). La station est uniquement accessible par les voies maritimes ou aériennes à partir de la fin de la route, de l'autre côté de l'inlet Bamfield.

Date de début : Dès l'attribution.

Date d'achèvement : Tous les travaux doivent se terminer avant le 31 mars 2014.

Visite du site: There will not be a site visit for this requirement.

Exigences de sécurité: Un service d'escorte sera fourni, au besoin.

Demandes de renseignements : Toutes les demandes de nature techniques et contractuelles doivent être transmises par courriel à l'autorité contractante Kimberly Walker à l'adresse : DFOtenders-soumissionsMPO@dfo-mpo.gc.ca.

Les soumissionnaires doivent noter que toutes les questions concernant cette demande de propositions doivent être présentées par écrit, **AU PLUS TARD LE 18 février 2014 à 14 h (HEURE DE L'ATLANTIQUE)** au responsable du contrat tel que le stipule l'article 18 de l'annexe 1 – offre de services / formule du contrat. Le ministère ne sera pas en mesure de répondre aux questions présentées après cette date.

Pêches et Océans Canada n'acceptera pas nécessairement la soumission la moins coûteuse ni l'une des soumissions reçues, et il se réserve le droit de refuser l'une ou l'autre ou l'ensemble des soumissions reçues, cette décision est sans appel et à la seule discrétion du Ministère.

**Re: Invitation to Tender F5211-130409
Bamfield Diesel fuel storage system**

Sealed, signed tenders will be received up to 2:00 p.m. Atlantic Time: Friday, February 21st, 2014 for the said service in accordance with the documents enclosed.

Bidders are instructed to submit their bids to the Contracting Officer processing this tender at the address noted on the sample envelop below. Your bid submission must include:

**One (1) signed copy of the Form of Tender
Bid Security**

Do not address the bid to any individual, it may delay the receipt of the tender submission and could be considered late and therefore non-compliant. Make sure any outside envelope (i.e. courier envelopes) are addressed as per the sample below.

The onus is on the bidder to ensure that the bid is delivered on time to the location designated

Upon acceptance the successful bidder will be required to supply:

proof of insurance;
proof of WCB coverage;
Contract Security;

Any tender received after the above noted time will be considered late and will be returned to the sender unopened. Tenders may be revised by email, letter or fax (506) 452-3676, provided the tender and revision(s) are both received prior to Tender Closing Time.

Site Visit: There will not be a site visit for this requirement.

For further project or contract information, please contact Kim Walker by email at DFOtenders-soumissionsMPO@dfo-mpo.gc.ca

1. TENDER DOCUMENTS

1.1. Construction Tender Form - FP-5155E

1.2. DFO Instructions to Bidders - Construction at <http://www.dfo-mpo.gc.ca/contract-contrat/instructions-instructions-eng.htm>

1.3. DFO General Conditions - Construction at <http://www.dfo-mpo.gc.ca/contract-contrat/general-generale-eng.htm>

1.4. Labour Conditions at 1.1. http://www.labour.gc.ca/eng/standards_equity/contracts/conditions/conditions.shtml

1.5. Schedules of Wages Rates for Federal Construction Contracts.

The appropriate Schedule of Wage rates for the contract are the ones for the location where the work will be performed. Please refer to: http://www.labour.gc.ca/eng/standards_equity/contracts/schedules/index.shtml

1.6. Insurance Conditions at <http://www.dfo-mpo.gc.ca/contract-contrat/insurance-assurances-eng.htm>

1.7. Insurer's Certificate of Insurance - FP-5140E at http://www.dfo-mpo.gc.ca/forms-formulaires/FP_5140_E.pdf

1.8. Plans and Specifications

2. We, having informed ourselves fully of the conditions relating to the work to be performed, having full knowledge of site conditions and having carefully examined the plans and specifications and all the terms and covenants of the Tender Documents, including any amendments (IT BEING UNDERSTOOD AND AGREED THAT FAILURE TO HAVE DONE SO WILL NOT RELIEVE US OF OUR OBLIGATION TO ENTER INTO A CONTRACT AND CARRY OUT THE WORK FOR THE CONSIDERATION SET OUT HEREAFTER) do tender and offer to perform the said work in strict accordance with the said documents and such further details, plans and instructions as may be supplied from time to time and to furnish to Her Majesty the Queen in Right of Canada, all materials, plant, machinery, tools, labour and things necessary for the construction or carrying out and proper completion of the said work for the sums stated in the Combined Price Schedule of this tender form.
3. We understand and agree that all applicable taxes, duties, permits and fees are our responsibility and are included in our Tendered Price. The exceptions to the foregoing are the Goods and Services Tax (GST) / the Harmonized Sales Tax (HST). GST / HST will be paid to the contractor by Fisheries and Oceans Canada in addition to any amounts due under the contract.
4. We certify that Bid Security, if required, in one of the forms outlined in GI09 of the "DFO Instruction to Bidders - Construction", accompanies this Tender.
5. It is understood and agreed that in the event of this Tender being accepted within 30 (thirty) calendar days of the date and time stated for closing of tenders and our failing or refusing to carry out the contract in accordance with the terms of our Tender, our bid security, if required by the tender, (i) if in the form of a certified cheque, bank draft, or bonds of, or bonds unconditionally guaranteed as to principal and interest by, the Government of Canada, or (ii) if in the form of a Bid Bond, shall be forfeited to Her Majesty the Queen in Right of Canada and the Bonding Company shall be liable in accordance with the terms of the Bond.

Project No. F5211-130409

Project Location Bamfield ASR Station on the west side

Fisheries and Oceans Pêches et Océans
Canada Canada

6. It is further understood and agreed that notwithstanding (i) the forfeiture of the certified cheque or bonds of (ii) the liability of the Bonding Company, Her Majesty shall be entitled to the payment of any additional amounts that may be required to meet the cost of all loss and damage suffered by Her Majesty by reason of our default in carrying out the contract.
7. We understand this project must be completed by March 31, 2014 . If our Tender is accepted, we agree to start work immediately upon notification of contract award and once all required insurances, permits, Letter of Good Standing and Clearance from applicable provincial compensation authority, etc., are in place. We will attend start-up meeting and will work vigorously and continuously to complete the project within this prescribed time.
8. Bidders shall take note that the performance of the Contractor during and upon completion of the work shall be evaluated by Her Majesty. The evaluation shall be based on the quality of workmanship; timeliness of completion of the work; project management, contract management and management of health and safety.

Should the Contractor's performance be considered unsatisfactory, the Contractor's bidding privileges for future work may be suspended.

The form Contractor Performance Evaluation Report Form (FP 5135E) at http://www.dfo-mpo.gc.ca/forms-formulaires/FP_5135_E.pdf will be used to record the performance.

9. By signing below we certify that we are authorized to sign this tender on behalf of the Corporation, Partnership, Joint Venture or Sole Proprietorship and bind the company to it.
10. We certify that we are in possession of all the tender documents listed in this tender form.
11. Special tender form inserts/additional instructions (For DFO use only)

Project No. F5211-130409

Project Location Bamfield ASR Station on the west side

Fisheries and Oceans Canada / Pêches et Océans Canada

12. We certify that our tender is inclusive of all obligations as required by the preceding pages of this tender form, without change.
