10131328 Amendment#3

This amendment gives effect to the following changes:

1. QUESTIONS AND ANSWERS:

Q1. Drawing A8 Sections show oak treads, risers and landing while drawing A9 Finishes states that treads, risers and landing are to be maple. Please clarify.

A2. Maple.

Q2. Drawing A2 Ground Floor Plan – New Construction calls for oak wainscoting while the wall schedule and various other drawings show maple wainscoting. Please clarify.

A2. Maple

Q3. Drawing A3 has a note to reinstate window on the second floor. Are we to replace the window with a new one or just remove the air conditioner?

A3. Remove air conditioner, replace with new glass pane.

Q4. Parks Canada will be supplying the D.Fir timber. Are they supplying the steel brackets and anchor rods as well?

A4. No.

Q5. Are the ¾" X 4" lag bolts for the beams in the North Vestibule to be square head bolts?

A5. Although square heads bolts are preferred, they are not mandatory.

Q6 The wall finish schedule states that all wood surfaces - window frames, mullions, etc. are to be painted. Does that include the wainscoting and T&G ceiling? Do the D.Fir posts and beams get painted as well?

A6. D.Fir left unfinished. Ceiling painted. Wainscoting finished (stained/painted TBD).

Q7. Is the timber hardware to be painted or just left as shop coat primer?

A7. Painted black

Q8. Is the wiring for the lighting in the Visitor Gallery to be exposed EMT?

A8. Not exposed

Q9. Please provide sizes of the existing windows to be covered with Lexan panels

A9. Those measurements are not available at this moment.

Q10. The front elevation of the north vestibule on drawing A6 shows a Parks Canada emblem above the door. What is the emblem made of?

A10. Etched into glass

Q11. Please provide model information and model numbers for washroom accessories identified on the attached document by arrows.

A11. All washroom accessories have been specified except smaller items, the contractor to provide options

Q12 Please provide a specification for the plumbing faucets and related trim.

A12. faucets have been identified on latest set of drawings

Q13. There is a significant amount of work occurring on the second floor in relation to the new stair case. Please provide more information with respect to the extent and type of related finishes like flooring, paint etc.

A13. Stair case has been identified on latest set of drawings

Q14. The project includes some exterior work that cannot be done during cold weather meaning that it won't be completed by March 31st. Will this work be considered seasonal work which can be done when weather permits?

A14. Exterior work including painting will require to be completed as soon as weather permits, ideally prior to May long weekend.
